COUNTRIES

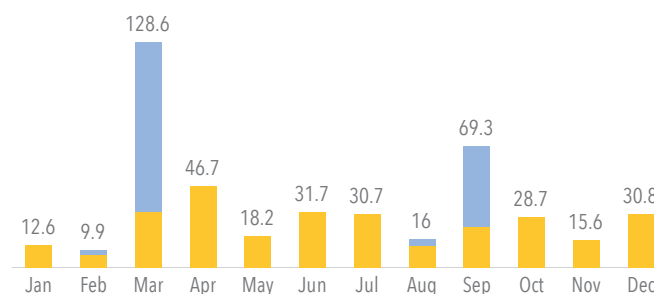

ALLOCATIONS BY COUNTRY

in US\$ million

In 2016, CERF allocated US\$439 million to support life-saving humanitarian action for people affected by conflict and disaster in 47 countries. More than half of CERF's total funding - \$289 million - enabled humanitarian partners to immediately jump-start or scale up urgent aid while \$150 million was allocated to sustain humanitarian operations in underfunded emergencies.

ALLOCATIONS TIMELINE in US\$ million
