

# Nepal: Demonstrations

IFRC Information Bulletin No. 1  
Issued 17 April 2006

"The government has imposed a curfew in the capital and many major cities in other parts of the country. The demonstrators have defied the curfew to continue their street protests. Six people have already lost their lives and hundreds have been injured."

IFRC Bulletin

## SITUATION

Nationwide general strike started 6th April 2006. Night time curfew that started on 5th April still continues in capital, but daytime curfew lifted on 12th April. Curfew also in effect in many cities outside Kathmandu. Demonstrators continuously taken to the streets. This has left hundred of people wounded. More emergencies will arise in coming days and need for care and treatment of wounded may arise both in capital and other parts of country.

## ACTION

Nepal Red Cross Society (NRCS) providing first aid both in the capital and other parts of the country. As of 12th April NRCS provided first aid service to 659 wounded transported 113 wounded to hospitals.
