

Activated in 2011, the Shelter and Non-Food Item (S-NFI) Cluster coordinates the provision of lifesaving household items and shelter materials to conflict and disaster-affected people in South Sudan. Since the onset of the conflict in 2013, the Cluster has focused on the delivery of flexible, timely and needs-based interventions, particularly in areas that have been affected by multiple humanitarian crises.

Achievements Against HRP 2016 Plus Target

1.62 Million People in Needs	NFI 1.25 Million To be Assisted with NFI	0.3 Million To be Assisted with shelter	45.6 Million Funds Requested
1.25 Million People in Targetted	0.74 M Reached	0.29 M Reached	\$28.5 M Secured
