Type of Location

- IS Informal Settlement: Also called spontaneous settlements or self-established camps. They are a group of tented or other types of housing units established by the IDPs themselves or by non experienced actors, constructed on land that the occupants have no legal claim to.
- PC Planned Camp: The structures that are established by an accountable humanitarian actor and to the extent possible, the meet the minimum SPHERE standards.
- CC Collective Center: Other types of settlements, i.e. public buildings, schools, private collective building, i.e. factories that are inhabited by the IDPs.
- TC Transit Camp: The camps that were established for a short period of time and no longer exist. This definition does not correspond to the internationally agreed standards per se, the CCCM give definition to these camps that existed for a short time and then disappeared as the IDP moved out.
- ~~Strikethrough sites-~~: are either no longer exist or inhabited by no IDPs.
