**Context**

Bentiu protection of civilians (PoC) site was established in December 2013 with 113,310 people seeking protection in the site. Humanitarian partners and UNMISS are working together with the community to improve the living condition in the PoC area.

**Current priority needs**

1. Coordinating with Health and WASH to address Hepatitis E outbreak.
2. Coordinating with all stakeholders to address service obstruction in the PoC.
3. Road repairs in anticipation of the rainy season.
4. Uncomfortable living condition
5. Seek better opportunities
6. Join the family
7. Seek education opportunities
8. Seek livelihood opportunities

**Site overview**

Site location

- Latitude: 9.332⁰
- Longitude: 29.918⁰
- Site area: 1,646,612m²

**Site demographics**

- Population count as of April 2018: 116,725 individuals, 19,654 households
- Male: 58,554, Female: 58,111
- Age breakdown: <5 years: 16%, 5-15 years: 34%

**Population count by sector as of April 2018**

- Sector 1: 13,776
- Sector 2: 19,713
- Sector 3: 20,883
- Sector 4: 20,883
- Sector 5: 35,561

**Population Heat Map as of April 2018**

- Biometrically registered population: cumulative number of individuals registered biometrically in the PoC.
- Population count: estimates the number of individuals residing in the PoC by taking into account the number of people who stay overnight in each shelter during a 3 day exercise conducted twice a month.

The population count is the estimated camp population for which the standard indicators are calculated.

**Notes**

- All Flow Monitoring data used is for the period between 1st to 19th April. No data available beyond this date.
- Pre-displacement area of residence: all the residences prior to displacement that individuals were living in.
- Hub Accommodation: includes refugees and displaced people who seek temporary accommodation in the camp.
- Other Areas: includes refugees and displaced people who seek temporary accommodation in the camp.
