Flow monitoring

1. Supporting the formation of all inclusive leadership structure in Buw, Mimir and Beh (Great Koch)
2. Closely monitor the trend movement to understand the return dynamic
3. Monitor service provision in the PoC to flag any duplication or gaps in service provision

Context
Bentiu protection of civilians (PoC) site was established in Rubkona county of Unity state in December 2013 when currently 100,441 internally displaced people are seeking protection in the site. Humanitarian partners and UNMISS are working together with the community to improve the living condition in the PoC area.

Site overview

Site location
Latitude: 9.332°
Longitude: 29.918°
Area: 1,646,612 m²

Current priority needs
1. Supporting the formation of all inclusive leadership structure in Buw, Mimir and Beh (Great Koch)
2. Closely monitor the trend movement to understand the return dynamic
