Tropical Storm Eta & Hurricane Iota: Funding Snapshot

As of 27 November 2020

While OCHA makes every effort to compile all reported financial contributions, those listed in this document only account for information shared through ReliefWeb, media monitoring and/or direct reporting, and **do not represent the entirety of relief funding provided to date**; as such, the information below may be incomplete. Research on international, bilateral and private sector contributions are ongoing. Please assist OCHA in providing the most comprehensive and accurate information possible by sharing financing information to ocha-rolac@un.org and by reporting contributions to appeals and plans at fts.unocha.org.
