

REGIÃO AUTÓNOMA DA MADEIRA
GOVERNO REGIONAL

SECRETARIA REGIONAL DO TURISMO E TRANSPORTES

Official Report from Regional Government of Madeira 23/02/2010, at 06.30 p.m.

Decisions

The Regional Government will build a residential area for the dislodgments.

Dead people

42

Wounded

The same situation informed in the last report: 18 are still in the Hospital.

Missing People

18

Dislodgments:

600 people, 193 families are reallocated in temporary shelters.

Water Supply

In Funchal (Santo António) will be normalized tomorrow.
In Ponta do Sol (Rabaças) the situation will be restored soon.

Electricity

Electricity is being established all over the Island, except in Meia Léguas (Ribeira Brava) and some small area in Funchal.

The cleaning and restoration works are taking place involving around 2.000 people from the public and private sector, the army, securities and volunteers.

Public Services

The Public Services are operating with minimum services.
