Plots: 72,402 11,916 27,436
 People: (352,032¹) (71,496) (164,616)

For planning purposes one plot = one family of 6 individuals. This relationship may vary depending on family size and preferences. The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations. The information reflected in this infographic is constantly changing and captures information available at the moment of production.
