54 actors are operating or ready to position themselves in 10 areas of activity to assist the government in the COVID-19 pandemic response. Several of them have the capacity in terms of experts, human resources, financial resources, logistics and materials to assist 2.1 million people over the next 6 months. These actors are spread out in 7 out of 10 regions where they are already carrying out humanitarian activities with good knowledge of the field.

KEY FIGURES

- **54** actors
- **6.5M** Beneficiaries (in millions)
- **397K** Available Funds (in thousands)

# ACTORS WITH CAPACITY BY REGION
