Community-Based Protection of Refugees in Jordan
UNHCR Jordan
February 2019

STRATEGIC GOALS

Strengthen community-based protection work & apply approaches across different sectors
  > Provide training for partners and other functional units
  > Support with community consultation training
  > Protection interventions, such as developing child protection concepts or community-based rehabilitation

Support community empowerment & enhance meaningful engagement
  > Hosting social, cultural, educational and recreational activities at Community Support Centres for refugee and host community members
  > Participatory assessments implemented by the centres and involving communities
  > Informing UNHCR’s protection programming and projects involving national partners (JOHUD & CARE)

Increase & strengthen UNHCR’s protection response via outreach
  > Mobile Help Desks, counselling activities, focus group discussions, support mobile registration service

Solidify an inclusive approach to refugee protection
  > Design protection responses that are accessible for all, target all sectors and record data
  > Advocacy for making services inclusive to all persons of concern, by highlighting best practices and development/referral pathways

All Interventions are consistent with relevant UNHCR policies, such as Communicating with Communities (CwC), Accountability to Affected Populations (AAP) and Age, Gender, Diversity (AGD) Policy.
