- # of Fuel-Efficient stoves distributed: 1,562

### Highlights
Kaya refugee camp hosts 5,227 refugee households that are led by 54 Sheikhs and 03 paramount chiefs (Umdas). The Refugee Camp Executive Committee comprising 05 members was voted into power on 12 September 2019. The total number of refugees remained relatively stable, 51 new arrivals were registered following a recommendation from the joint litigation team comprised of UNHCR and CRA.

**WASH:** Water supply is from 4 motorized boreholes pumped over a 5km distance from the source, with 58 tap stands and 349 taps. The construction of 40 households shared latrines, and 6 stances of institutional latrines. Number of latrines per hygiene promoter is 191.

**Shelter:** 50.77% of households (2,654) live in semi-permanent shelters, while 49.23% still live in emergency shelters.

**Education:** There are 5 primary schools, with an enrollment of 80%. There is one secondary school with an enrollment of 7%.

**Health:** There is 1 Primary Health Care Centre and 1 Primary Health Care Unit offering 24/7 health, reproductive health and nutrition services. The 3 main morbidities are respiratory tract infections, malaria and diarrhea. Referrals are sent to the Bunj hospital and Gentil PHCC+

**Livelihood:** 1,520 refugee households were supported with crop kits composed of sorghum, maize, groundnut, sesame, cowpeas, okra, egg plants, onions and tomatoes.
