

The United Nations Humanitarian Response Depot (UNHRD) is a network of depots around the world (in Ghana, Italy, UAE, Malaysia, Panama, Spain) that stores, manages and transports emergency items on behalf of the humanitarian community. Strategic stocks of relief goods are available at any given time and, at the onset of an emergency, UNHRD is ready to dispatch immediately.

UNHRD provides logistics services and supply chain solutions for 64 partners including the United Nations, government and non-governmental organizations.

Blankets, tents, water tanks, nets and other supplies from Irish Aid were recently dispatched from UNHRD Accra and chartered to Sierra Leone.

UNHRD continues to support Ebola response efforts of WHO, JICA, Irish Aid, UNHCR and WFP. Since March 2014, UNHRD depots in Dubai (UAE) and Accra (Ghana), Las Palmas (Spain) and Brindisi (Italy) have dispatched US\$ 3.9 million worth of protective gear, emergency health kits, relief items and support equipment to the region. Weekly dispatches are ongoing.
