#### Southern Sudan

##### CENTRAL EQUATORIA

###### ► Background

As a result of inter-tribal fighting in late September, populations were displaced from Gemieza and Mangala Payams and moved to Terekeka, Muni, and Nyori. Distributions to households in need in Terekeka were completed on 31 October; however registration of IDPs in Muni / Nyori has been postponed due to security issues related disarmament. Additionally, in late November, inter-tribal conflict displaced 488 individuals (99 households) in Lainya.

**WESTERN EQUATORIA – No changes from previous report**

► **Background**

Insecurity has hampered Sector Partner's response to displacements caused by LRA-related conflict over the last six months. In late August, IDPs were reported arriving from Ezo, however, assessments have been limited by insecurity and distance to locations where IDPs are identified, specifically Ezo and Naandi.

OCHA EP&R is on the ground in Yambio to coordinate the overall humanitarian response; as Sector Lead, UNJLC will continue to monitor and coordinate NFI assistance as required.
