

Philippines: Typhoon and Tropical Storm

IFRC Information Bulletin No. 1
 Issued 25 November 2004

"The Philippines...has been struck by a typhoon and tropical storm in recent days, bringing widespread death and destruction."

SITUATION

Philippines struck by Typhoon Muifa, Tropical Depression Violeta. 74 people reported killed, 96 injured, 62 reported missing. Death toll likely to rise. More than 106,000 families (573,000 people) affected. 21,000 houses destroyed with damage to 50,700. Eleven evacuation centres for homeless established by local authorities.

ACTION

Philippines National Red Cross Disaster Response Teams deployed in Mindoro Oriental to conduct evacuations, assess damage. DRT also deployed to Roxas. Round-the-clock monitoring at national PNRD headquarters in Manila, appeal for support for relief operations.
