

THIS MAP MAY NEED YOUR HELP!

The information displayed was accurate upon publication of this map. However if you have new information please contact us on maps@logcluster.org

The road conditions displayed on this map can change at any time due to sudden events, including meteorological or security-related incidents. The Logistics Cluster cannot be held responsible for any changes that may occur. Please verify the information before use.

Jeremie to Les Irois- Road remains in poor condition. Road surface is a mix of dirt and rock. There are also sharp curves, steep slopes and it is one way in places. Probability of landslides after rain. Only open to 4 X 4 vehicles.

Jeremie to Abricot- Poor condition, road surface is a mix of dirt and rock. Sharp curves, steep slopes, one way in parts and probability of landslides after rains

One way bridge

River water is receding, the road is currently passible, but it remains dangerous

Restricted access due to ongoing constructions on the road from Les Cayes to Jeremie. Road closure after harsh weather are likely

South Channel

Road is impassable due to flooding of the river. Must use boat access to cross.

Duparc bridge is impassable. Alternative route is accessible but vulnerable to flooding. Open for all vehicle types.

Accessible from Jeremie, access remains difficult between Carcasse and Les Cayes

Landslides and difficult river crossings

Danger of landslides and impassable river crossings after rains

Access to Maniche- Steep bank and deep water makes river crossing difficult in dry weather and impossible after rains

Bridge Ravine Salee- bridge under repair. Road blocked

HAITI - DEPARTEMENTS
Grand Anse - Nippes - Sud

Road Conditions
12 Nov 2010

Logistical corridor closure risk

- Obstacles**
- Road cut
 - Traffic restriction
 - Bridge damage
 - Flood
 - Landslide/mudslide
 - Ford
 - Road damage

- Road practicability**
- 4WD < 3.5MT
 - Light truck < 10MT
 - Heavy truck < 20MT
 - Truck + trailer > 20MT

- Road Network**
- Primary
 - Secondary
 - Tertiary
 - Trail/urban

- Major Town
- Intermediate town
- Village
- National boundary
- First Level Admin Boundary
- River
- Ports
