The boundaries, denominations, and designations displayed in this product are defined by the data shared with iMMAP. At iMMAP we visualize data, we do not create it, so these elements and freshness of the data are the responsibility of the data providers and no endorsement nor acceptance of it by iMMAP or USAID/OFDA can be assumed.

Data extracted: May 14, 2020, 6:00AM (AFG time); Creation date: May 14, 2020; Data sources: ReportHub (https://reporthub.org), Afghan Geodesy and Cartography Head Office (AGCHO); Feedback: afghanistan@iimm.org

This dashboard provides a multi-sectoral snapshot of humanitarian services based on data reported to ReportHub by implementing partners and is made possible by the generous support of the American people through the United States Agency for International Development (USAID) - Office of U.S. Foreign Disaster Assistance (OFDA).
