

Attacks in the Mideast

Yesterday's attacks and other developments in Israel, Lebanon and the Gaza Strip.

BEIRUT More strikes, including a repeat bombing of Hezbollah's offices.

MEDITERRANEAN SEA An Israeli Navy missile ship damaged on Friday was towed back to Israel. The ship was hit by a missile fired from the Lebanese shore, not by a remotely piloted drone.

SOUTHERN LEBANON A convoy evacuating from the border village of Marwaheen came under attack. At least 12 people were killed.

NORTHERN ISRAEL Hezbollah fired more than 40 Katyusha rockets. The town of Tiberias on the Sea of Galilee was hit for the first time.

GAZA STRIP The Israeli Air Force attacked the Palestinian Economy Ministry and a suspected rocket factory.
