Thousands of people have lost their lives and millions of people were affected by the crisis due to the conflicts between Syrian government and demonstrators, which has started in March 15th, 2011 and has spread nation-wide with the demonstrations in April 2011.

Within the scope of Syrian Crisis Humanitarian Aid Activities, Community Based Migration Programmes was established in March 25, 2016 under Directorate of Migration and Refugee Services in order to manage social, cultural & harmonization, psychosocial support and health, livelihood support, protection, community & youth, and child protection activities. The program aims to make a difference in the lives of those living in refugee camps and in other host communities.

In Community Based Migration Programmes, different projects are being developed by agreeing with partner institutions in order to produce solutions for the needs of the beneficiaries. The projects do not only include services held within a certain time frame; but also it contains activities that will be carried out in line with the new requirements.

In this context, the program has reached 1.468.838 people in their field of activity.

**Number of people reached:**
- 261.668 people in the field of activity
- 238.952 children and teens
- 494.639 people
