- ⋯ Coastline

Map scale 1:1,800,000

This map is intended to give an overall impression of settlement density and size, prior to major population displacements.

The settlement size classifications are approximate and based on maps from the 1980's, updated by staff from the Ministry of Planning and Economic Affairs.

Map catalog: LIB068
Map production date :18-12-03

Data sources:
Settlement locations - US National Imagery and Mapping Agency, revised by Ministry of Planning and Economic Affairs, 2003.

Settlement size classification from US JOG (1:250,000 scale) topographic maps series with revision by the Ministry of Planning and Economic Affairs.

Boundaries depicted do not represent official endorsement by the Government of Liberia or by the United Nations. Many boundaries were derived from small scaled maps and will be updated as soon as better information is available.
