Key Facts

as of 5 July 2017

UAC Shelters (transit and long-term)

- **Current:** 50 UAC shelters with total **1,223** places. (increased from 423 places in March 2016)

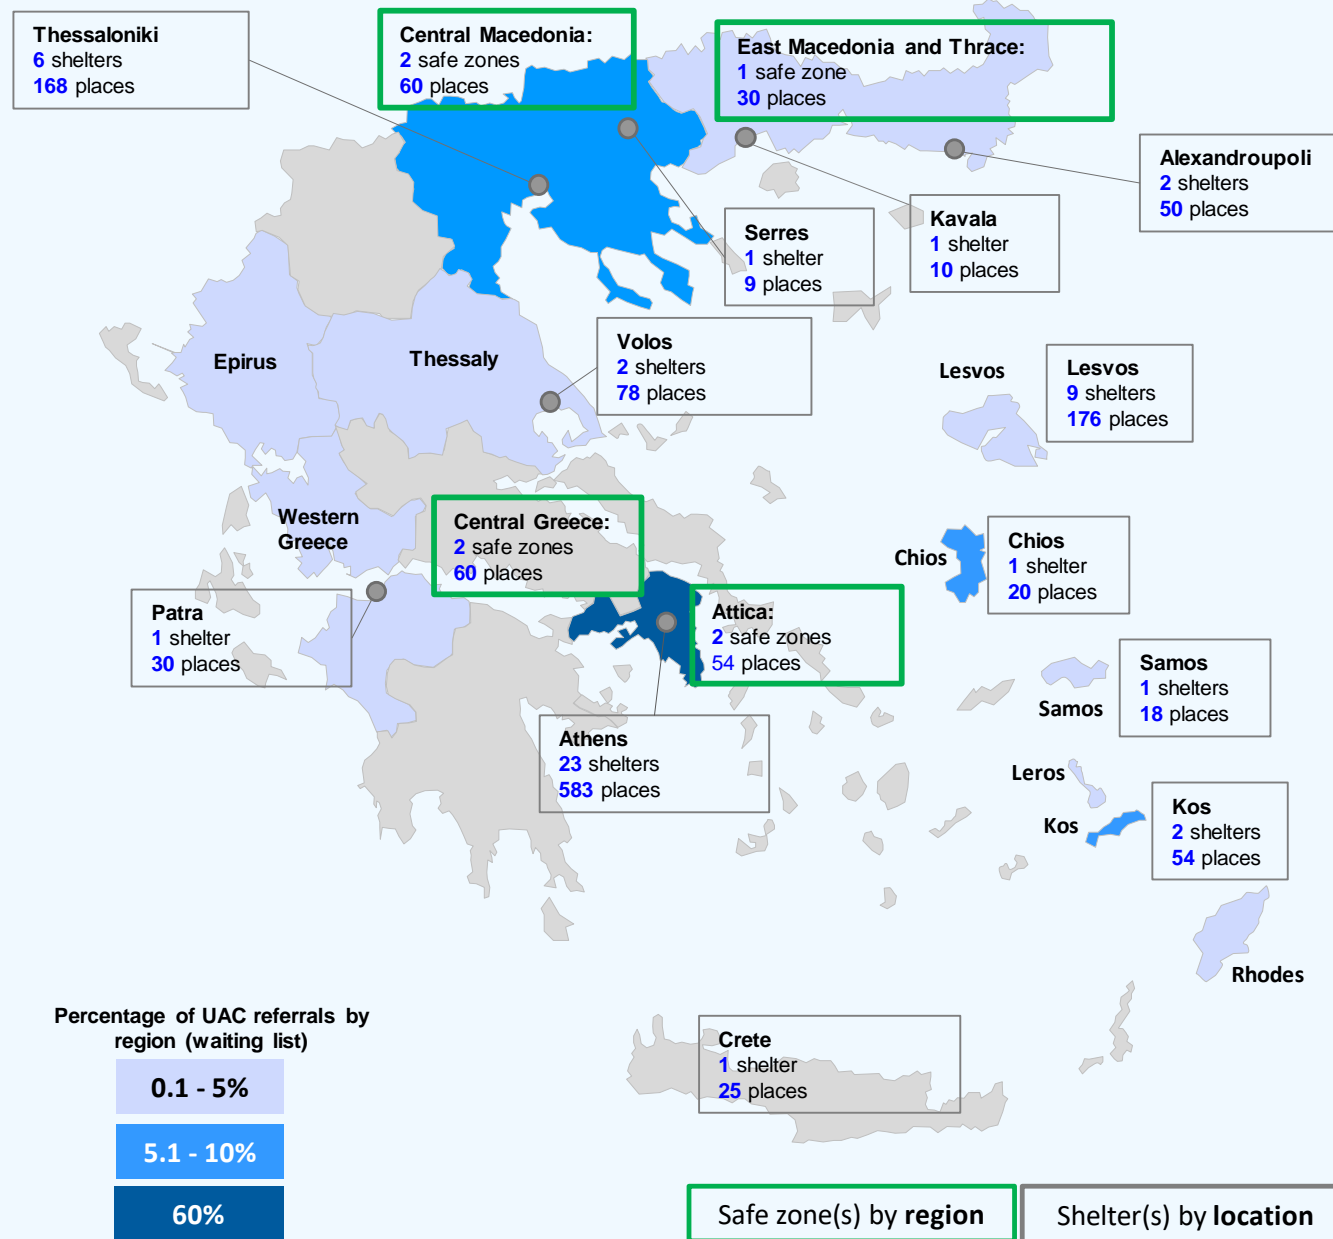

- **Planned:** 4 new UAC shelters with total **120** new places

Safe Zones* (short-term)

- **Current:** 7 Safe Zones for UAC with total **204** places.

- **Planned:** 3 new Safe Zones with total **90** new places

*Safe Zones are designated supervised spaces within accommodation sites which provide UAC with 24/7 emergency protection and care. They should be used as short term (maximum 3 months) measures to care for UAC in light of the insufficient number of available shelter places. Safe Zone priority is given to UAC in detention as well as other vulnerable children, in line with their best interests.
