NDRRMC UPDATE
Sitrep No. 4 for Tropical Storm “JUANING”

Releasing Officer:

USEC BENITO T. RAMOS
Executive Director, NDRRMC and
Administrator, OCD

DATE: 27 JULY 2011, 6:00 AM

Sources: PAGASA, PCG, DSWD, DOH, DepEd, PNP, AFP, DPWH, NGCP, PRC, RDRRMCs/OCDRCs I, II, III, IV-A, IV-B, V, VI, VIII, CAR and NCR

I. SITUATION OVERVIEW

SEVERE WEATHER BULLETIN NO. 8

- Tropical Storm “Juaning” continues to threaten Central Luzon including Metro Manila

- At 4:00 AM, 27 July 2011, the center of TS “Juaning” was estimated based on radar, satellite and surface data at 90 km East of Infanta, Quezon (14.8°N, 122.5°E) with maximum winds of 85 kph near the center and gustiness of up to 100 kph. It is forecasted to move West Northwest at 11 kph

- TS “Juaning” is expected to make landfall over Poililio Island between 8:00 AM to 10:00 AM and over Southern Aurora by 1:00 PM to 3:00 PM today and will traverse Central Luzon. By Thursday morning, it is expected to be in the vicinity of Dagupan City and 410 km West Northwest of Laoag City by Friday morning

- Public Storm Warning Signal (PSWS) No. 1 is raised over Catanduanes, Camarines Sur, Albay including Burias Island, Romblon, Mindoro Provinces, Lubang Island, Isabela, Ilocos Norte, Ilocos Sur, Abra, Apayao, and Cagayan

- Public Storm Warning Signal (PSWS) No. 2 is hoisted over Camarines Norte, Quezon including Polilio Island, Batangas, Laguna, Cavite, Rizal, Bulacan, Pampanga, Bataan, Zambales, Tarlac, Pangasinan, Nueva Ecija, Aurora, Quirino, Nueva Vizcaya, Benguet, La Union and Metro Manila

- Residents in low-lying and mountainous areas under signals numbers 2 and 1 are alerted against possible flashfloods and landslides. Likewise, those living in coastal areas are alerted against big waves or storm surges generated by the tropical cyclone

- TS “Juaning” will continue to enhance the Southwest Monsoon and will bring widespread rains over the rest of Luzon and Western Visayas

EFFECTS

CASUALTIES (Tab A)

• **DEAD – 14**
  - Region V – 10: 7 in Albay, 2 in Catanduanes, 1 in Camarines Sur
  - Region IV-A – 2: 2 in Cavite
  - Region IV-B – 1: 1 in Marinduque
  - Region VI – 1: 1 in Iloilo

• **INJURED – 31**
  - Region IV-A – 2: 2 in Cavite
  - Region V – 2: 1 in Catanduanes, 1 in Albay
  - Region VI – 27: 27 in Iloilo

• **MISSING – 9**
  - Region IV-A – 3: 2 in Perez, Quezon and 1 in Lucena City
  - Region V – 6: 2 in Catanduanes, 3 in Albay, 1 in Camarines Norte

• **RESCUED/SURVIVORS – 30**
  - Region VI – 6: 6 in Eastern Samar
  - Region IV-A –15: 15 in Polilio Island, Quezon
  - Region IV-B – 9: 9 Fishermen rescued in Marinduque

AFFECTED POPULATION

• Rough estimate on the number of affected population is **129,576 Families / 645,137 Persons**

</tbody>
</table>

- The continuous rains within the Ipo Watershed caused an increase in the water elevation of Ipo Dam. The water releases from Ipo Dam is expected to affect the low-lying areas along the Angat River from Norzagaray to Hagonoy

STATUS OF LIFELINES

POWER

Region V
- Sorsogon has no electric service since 2:40 AM, 26 July 2011 due to power shutdown by NAPOCOR for precautionary measure

Region IV-B
- Rotational brown-out is now being adopted in Marinduque due to some detached electrical cables caused by strong winds

NGCP
- The following NGCP transmission lines tripped in areas affected by TS “Juaning”, to wit:

<table>
<thead>
<tr>
<th>NGCP FACILITY</th>
<th>Affected Customers / Areas</th>
<th>Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>230 kV Gumaca-Labo</td>

<tr>
<td>• On or about 5:00 AM, 26 July 2011, MV Henrik with 15 crew members on board, was swept away while at the vicinity waters of Balesin Island, Polilio Island</td>
<td></td>
<td></td>
</tr>
<tr>
<td>• 2:00 PM, 25 July 2011, two (2) and four (4) motorized banca went fishing at the vicinity waters of Jomalig, balesin Island, Polilio and Patnanungan area. The names of the fishing boats are FB Kenrick and FB Kimberly. The 2 fishing boats (taksay) together with the motorized banca were able to return to Perez, Quezon while the other 2 motorized bancas stayed at Patnanungan, Quezon and Balesin Island. MB Kenrick, the other motorized banca with 2 crews is still missing. The owner of the boat is trying to locate the missing boat at the nearby Barangays of Pamatdan and Bislian, Polilio where the boat was last seen</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Region IV-B (2)
- Fishing boats from Dalahican, Lucena City named NEA and NORMA with nine (9) fishermen on board capsized at Libtangin, Gasan, Marinduque and the fishermen were rescued alive.

Region V (1)
- PCG Action Center reported that MV Maria Concepcion with 17 officers and crew, skippered by Capt Jomer Nepomuceno and owned/operated by Harmony Express Transport Corporation, ran aground at the vicinity of Barangay Duran, Balatan, Camarines Sur due to strong winds and big waves. Said vessel, departed from the Port of Pasacao on July 25, 2011 at 10:00 PM to take shelter at San Pascual, Burias Island, Masbate due to unfavourable weather condition in the area. All officers and crew are safe and in good physical condition.

Region VI (1)
- DRRMC Iloilo City reported that on or about 10:30 AM, 26 July 2011, a motor banca named NENE LINDA 3, with 28 passengers on board submerged while enroute from Buenavista, Guimaras to Parola Wharf, Iloilo City. As a result, 22 passengers suffered minor injuries while five (5) others were brought to Western Visayas State University Hospital.

FLOODINGS - 5

Region IV-A (3)
- As a result of continuous rains, flooding affected the ricefields in the 8 barangays of Lopez, Quezon, namely: Barangays Villa Hermosa; Magilayan; San Roque; Tan-ag; Ilaya; Bakungan; Lalaguna; and Rizal Barrio.
- A total of 171 families / 904 persons were affected in five (5) Barangays of Mulanay, Quezon due to flooding. They evacuated to Mulanay Session Hall and houses of friends/relatives.
- Three (3) Barangays of San Francisco, Quezon (Poblacion 2, Cawayan 1 and 2) were affected by flooding (waist-deep high) affecting 50 families / 250 persons. They were evacuated at Central Annex School, ABC Building, and Parochial Church

Region V (2)
- Floodings occurred in some brgys of Daraga Polangui, Ligao, Oas and Legaspi City, all in Albay and Nabua, Baao, Bato, Buhi, Pasacao and Pamplona and in Iriga City and Naga City all in Catanduanes

LANDSLIDES - 7

Region IV-A (1)
- Landslides occurred in Sitio Caginsa, Brgy. Casay, San Francisco, Quezon. Road was rendered impassable

Region V (6)
- Landslides occurred in the municipalities of Presentacion; Tinambac; Labawan, Buhi; and Camangahan, Balatan, all in Camarines Sur; Brgy Darao, Caramoran, Catanduanes; and Gabon, Polangui, Albay
II. EMERGENCY MANAGEMENT

**NDRRMC**
- Disseminated NDRRMC Advisories on Severe Weather Bulletins; Gale Warnings; and Flood Bulletins to all regions affected through SMS and facsimile, uploaded the same at the NDRRMC Website, Facebook, and Twitter accounts for further dissemination to their respective local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.
- Directed RDRRMCs concerned through the OCD Regional Centers to undertake precautionary measures in their respective areas of responsibility (AOR) and subsequently advised local DRRMCs to initiate pre-emptive evacuation of families in low-lying and mountainous areas if situation warrants.

**MEMBER AGENCIES**

**Department of Social Welfare and Development (DSWD)**
- The Disaster Response Operations Monitoring and Information Center (DROMIC) is closely coordinating with DSWD–Field Offices (FOs) concerned for significant reports caused by this weather disturbance.
- DSWD-FOs along the typhoon path were alerted and advised to closely monitor the situation, particularly those flashflood and landslide prone areas within their jurisdictions, and to provide reports on any eventualities, status of their standby funds and stockpile.
- DSWD Field Offices (FOs) are continuously coordinating with local DRRMCs from the regional down to the local level for necessary response/intervention.
- Pre-positioned PhP59.76 Million in all DSWD-FOs along the typhoon path: PhP2.5M standby funds and PhP57.26M worth of relief supplies.

</table>

- DSWD I pre-positioned 1,000 family packs to the provinces of Ilocos Norte, Ilocos Sur and Pangasinan and implemented cash-for-work program in flood-prone areas (canal/river de-clogging) as flood mitigation activity.
- **DSWD V initially extended relief assistance worth PhP2,085,828.00 consisting of the following food and Non-food items (NFIs):**
  - Catanduanes - 250 sacks of rice
  - Camarines Sur - 1,000 sacks of rice, 500 pieces blankets; 600 pieces plastic mats and 2,000 packs used clothing at 2 kilos/packs.
Department of Health (DOH)
- **DOH-HEMS prepositioned assorted drugs and medicines for CHD V. With still undetermined cost and activated Code White Alert**
- CHD V augmented assorted drugs and medicines worth PhP50,000 in the provinces of Albay and Catanduanes, mobilized teams to be on standby and activated CHDs’OPCENs in the affected provinces
- CHD I organized medical response and health assessment teams composed of doctors and nurses and allied health professionals at the regional and provincial offices and established direct coordination with health clusters of four (4) PDRRMCs and three (3) DOH-Retained Hospitals (ITRMC San Fernando City, La Union, RIMC-Dagupan City, Pangasinan and MMMH- MC Batac City, Ilocos Norte)

Department of Agriculture (DA)
- DA Region I activated its Regional Command Center and continuously monitor any possible effects on agricultural sector

Department of Public Works and Highways (DPWH)
- DPWH Region I activated its District Disaster Action Teams and operation center, monitor status of road conditions and placed its maintenance crew on standby
- DPWH 5 deployed two (2) trucks with personnel; conducted clearing operations on affected roads; and monitored the status of roads

Bureau of Fire Protection (BFP)
- BFP Region I placed its Emergency Response Teams on alert status; fire trucks and manpower; 4 rubber boats with OBM (1 in Vigan City, Ilocos Sur, 1 in Naguilian, La Union; Urdaneta City, Pangasinan, and 1 in Rosales Pangasinan) for possible response mobilization and augmentation

PAGASA
- 26 July 2011, 10:00 AM: Issued a weather scenario of Tropical Storm “Juaning” and recommended the suspension of classes at all levels in Metro Manila
- **26 July 2011, 11:00 PM: Issued a weather scenario of Tropical Storm “Juaning” and recommended the suspension of classes on 27 July 2011 at the Tertiary Level in Metro Manila**

Department of Education (DepEd)
- Suspended classes in various levels on 26 July 2011 in view of Public Storm Warning Signals hoisted in NCR, Region I, II, III, IV-A, V, and CAR
- **Issued suspension of classes on 27 July 2011 in the following areas:**
  - **NCR:**
    - All classes Pre-School, Elementary, and High School (public and private) will be suspended in the entire region (per Regional Director Elena Ruiz)
  - **Region I:**
    - Automatic suspension will be based on the 10:00 PM, 26 July 2011 PAGASA Bulletin (per Regional Director Ligaya Miguel)
- Region II:
  - Due to Public Storm Warning Signal No. 1, all classes in Pre-School (public and private) will be automatically suspended in Cagayan, Isabela, Nueva Vizcaya, and Quirino (per Regional Director Benito Tumamao)

- Region III:
  - All classes in Pre-School, Elementary, and High School (public and private) will be suspended in the entire region: Bataan, Tarlac, Nueva Ecija, Pampanga, Bulacan, Zambales, Aurora (per Regional Director Teofila Villanueva)

- Region IV-A:
  - All classes in Pre-School, Elementary, and High School (public and private) will be suspended in the entire region: Cavite, Laguna, Batangas, Rizal, and Quezon (per Regional Director Lorna Dino)

- Region IV-B:
  - Classes in Pre-School and Elementary will be suspended in Occidental Mindoro (per Regional Director Sinforosa Guínare)
  - Due to Public Storm Warning Signal No. 1, all classes in Pre-School (public and private) will be automatically suspended in Oriental Mindoro, Marinduque, and Romblon (based on 5:00 PM, 26 July 2011 PAGASA Bulletin)

- Region V:
  - Automatic suspension will be based on the 4:00 AM, 27 July 2011 PAGASA Bulletin and depending on the local situation, local authorities (LGU, DepEd Local Officials, and School Heads) may declare cancellation of classes in their respective areas

- CAR:
  - Due to Public Storm Warning Signal No. 1, all classes in Pre-School (public and private) will be automatically suspended in Abra, Apayao, Kalinga, Ifugao, Mt. Province, and Benguet (per OIC-Regional Director Teresita Velasco)

**Philippine Coast Guard (PCG)**
- PCG Unit Commanders in various ports are closely monitoring and rendering assistance in coordination with local port authorities and shipping companies to ensure the security and safety of stranded passengers and vessels
- Implemented Memorandum Circular No 01-09 re Guidelines on the Movements of Vessels during Inclement Weather) are as follows:
  - PSWS No.1: Vessels of 1,000 gross tons or below shall not sail, except to take shelter, when the PSWS No.1 is hoisted within its point of origin or route or point of destination.
  - On the other hand, movement of vessels above 1,000 gross tons is left to the discretion and responsibility of the ship owner and master when PSWS No 1 is hoisted within its point of origin or route or point of destination
- Coast Guard District Bicol is presently conducting SAR operations on the reported missing fishermen in Baras, Catanduanes
PCG Region I alerted its WASAR teams in all CG Stations and equipped them with rubber boats with OBM for possible resource mobilization: Pangasinan (1), La Union (4), Ilocos Sur (1), and Ilocos Norte (1), and implements the prevention of fisherfolks and other small sea vessel from venturing out into the sea due to big waves

PCG BICOL monitored status of stranded passengers; conducted SAR operations for the missing fishermen in Catanduanes; placed its assets on standby ready for deployment; maintains coordination with PDNRMCs/MDRRMCs

**Philippine National Police (PNP)**

- Activated its PNP Sub-Committee on Disaster Management (PNP SCDM) and National Disaster Operation Center (NDOC) to monitor TS “Juaning” and to coordinate with affected Regional Offices
- Directed its ground units particularly the areas affected by TS “Juaning” to take precautionary measures to address the possible landslides and flashfloods
- Alerted its Search and Rescue (SAR) personnel for possible deployment
- PNP Region I placed all its police stations on alert status and emergency rescue equipment on standby
- **RDO5 directed the Provincial Directors of the six (6) Provincial Offices and the Director of Naga City Police to monitor and take precautionary measures against possible flashfloods and landslides; alert their respective search and rescue teams for possible deployment; and coordinate with the media for immediate dissemination of the prevailing situation to the public of any significant incidents in their areas of responsibility**
- **Albay Police Provincial Office closed the traffic along Maharlika Highway, especially at Brgy. Balangibang, Polangui, Brgy. Culiat and Bongalong, Daraga due to fallen trees. Also closed Nagasgasan and Busak Bridge, Oas due to strong current**
- Rescue Teams from PRO5 and Albay PPO were deployed at Brgy. Cabangan, Legazpi City and in Brgy. Nasisi, Ligao City.
- **PNP Personnel from police stations are manning the flooded areas to ensure safe passage of commuters and “No Travel” to areas declared unsafe by PDRRMC Albay**

**Department of Interior and Local Government (DILG)**

- DILG I directed the local LGUs to implement pre-emptive evacuation of residents in high risk areas if situation warrants

**Armed Forces of the Philippine (AFP)**

- The different DRTUs of NCRCOM, NOLCOM, and SOLCOM were placed on standby alert
- **AFP Region I implemented “OPLAN DAGLI”, a tool in mobilizing AFP resources during disaster response**
- **NFSL alerted all DRTs to include floating assets; dispatched 1 team to Polangui, Albay (on standby at Albay Provincial City Emergency Management Office due to bad weather)**
• TOG5, PAF dispatched 1 SAR Team composed of 4 505th SRS and 3 TOG5 personnel and SAR equipment are placed on standby alert for possible deployment and disaster operations at area of responsibility; CG, TOG, 2Lt Bernardo and Lt. Del Pilar coordinated with OCD 5 OpCen, NRDRRMC Member Agencies, and APSEMO re: Monitoring of TS “Juaning”; 1 SAR Team with 4 505th SRS and 3 TOG5 Personnel conducted disaster operations at Legazpi using M35 Truck of 5FSSU, PA; another SAR Team with 7 TOG5 transported approximately 10 families from Brgy.
