ABOUT

The GPI is developed by the Institute for Economics & Peace, an independent, non-partisan, non-profit think tank dedicated to shifting the world's focus to peace as a positive, achievable and tangible measure of human wellbeing and progress.

IEP is headquartered in Sydney, with offices in New York, The Hague, Mexico City and Brussels. It works with a wide range of partners internationally and collaborates with intergovernmental organisations on measuring and communicating the economic value of peace.
