Humanitarian needs in Cameroon are increasing due to the escalation and intensification of violence and insecurity in 2019 and due to the COVID-19 epidemic which is affecting the country since March 2020. The multi-year humanitarian response plan (2017-2020), revised in 2020, targets 3.4 million people. The plan is implemented in 9 out of 10 regions of the country and requires 391 million USD*.
