Date of arrival of last IDP group: 2019-02-07
Have the IDPs been displaced previously? Yes
Three main reasons preventing the majority of IDPs from returning:
Accessibility, Lack of food, Lack of safety

Mobility (returnees)
Date of return of first returnee group: 2018-02-19
Date of return of last returnee group: 2018-02-28
Are there people displaced from this village / neighbourhood who have not returned yet? Yes

Special needs
No. pregnant women: 8
No. breastfeeding mothers: 9
Total number of individuals with special needs: 74
Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

Protection
Main security provider in the village / neighbourhood: Local Authorities

Health
Most common concern: Malaria
Main provider: Government

Education
Type of facility: Formal Primary Education
Availability of learning supplies: Yes
Availability of teachers: Yes
