**Mobility (IDPs)**

Date of arrival of first IDP group: 2017-06-22

Date of arrival of last IDP group: 2018-05-30

Have the IDPs been displaced previously? Yes

Three main reasons preventing the majority of IDPs from returning:

- House damaged/destroyed
- Lack of safety
- No livelihood

**Mobility (returnees)**

Date of return of first returnee group: 2019-01-01

Date of return of last returnee group: 2019-02-03

Are there people displaced from this village/neighbourhood who have not returned yet? Yes

**Special needs**

No. pregnant women: 6

No. breastfeeding mothers: 8

Total number of individuals with special needs: 114

Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

**Protection**

Main security provider in the village/neighbourhood: Military

**Health**

Most common concern: Malaria

Main provider: Government

**Education**

Type of facility: Formal Primary Education

Availability of learning supplies: No

Availability of teachers: Yes
### Shelter / NFIs
- **Main shelter type:** Tukul
- **Shelter materials available in nature:** Poles, Grass
- **Shelter materials available from local market:** Poles, Bamboo, Rope, Grass
- **Three most needed NFIs:** Mosquito nets, Adult clothing, Child Clothing

### Food
- **Groups struggling most with food access:** Returnees
- **Main source of food:** Cultivation/Sale of livestock
- **Reason for lack of market access:** NA

### WASH
- **Connections to functioning pipelines:** Yes
- **Main water purification method:** Filtering
- **Main water source for cooking / washing:** Other, Specify
- **Main water source for drinking:** Other, Specify
- **No. functioning boreholes:** 6
- **Non-functioning:** 2
- **Complaints about drinking water quality:** No
- **Main problem with water:** NA
- **Type of toilet:** Open defecation
- **Main garbage disposal method:** Burning
- **No. garbage disposal points:** 0
- **Is solid waste a problem?** No
