Total number of individuals with special needs: 139

Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

**Protection**

Main security provider in the village / neighbourhood: Self Organized

**Health**

- Most common concern: Malaria  
- Main provider: NGO/INGO

**Education**

- Type of facility: Temporary Learning Spaces  
- Availability of learning supplies: No  
- Availability of teachers: Yes
**Shelter / NFIs**

- **Main shelter type:** Tukul
- **Shelter materials available in nature:** Poles, Bamboo, Rope, Grass
- **Shelter materials available from local market:** Poles, Bamboo, Rope, Grass
- **Three most needed NFIs:**
  - Emergency shelter kits
  - Kitchen sets
  - Mosquito nets

**Food**

- **Groups struggling most with food access:** IDPs, Returnees, Host community
- **Main source of food:** Bought with cash from market
- **Reason for lack of market access:** NA

**WASH**

- **Connections to functioning pipelines:** No
- **Main water purification method:** Tablets
- **Main water source for cooking / washing:** Protected well
- **Main water source for drinking:** Protected well
- **No. functioning boreholes:** 0
- **Non-functioning:** 0
- **Complaints about drinking water quality:** Yes
- **Main problem with water:** Too far
- **Type of toilet:** Latrines
- **No. garbage disposal points:** 0
- **Type of garbage disposal method:** Garbage pit
- **Is solid waste a problem:** Yes

### Mobility (IDPs)
- **Date of arrival of first IDP group:** 2015-03-02  
- **Date of arrival of last IDP group:** 2017-08-11  
- **Have the IDPs been displaced previously?** Yes  
- **Reasons preventing majority of IDPs from returning:** Accessibility, Lack of food

### Mobility (returnees)
- **Date of return of first returnee group:** 2018-12-16  
- **Date of return of last returnee group:** 2019-01-13  
- **Are there people displaced from this village/ neighbourhood who have not returned yet?** Yes

### Special needs
- **No. pregnant women:** 25  
- **No. breastfeeding mothers:** 17  
- **Total number of individuals with special needs:** 124  
- **Special needs:** Pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

### Protection
- **Main security provider in the village/ neighbourhood:** Self Organized

### Health
- **Most common concern:** Malaria  
- **Main provider:** NGO/INGO

### Education
- **Type of facility:** Temporary Learning Spaces  
- **Availability of learning supplies:** No  
- **Availability of teachers:** No
**Shelter / NFI**

- Main shelter type: Tukul
- Shelter materials available in nature: Grass
- Shelter materials available from local market: Grass
- Three most needed NFI: Mosquito nets, Child Clothing
- Food
  - Groups struggling most with food access: Host community
  - Main source of food: Cultivation/Sale of livestock
  - Reason for lack of market access: NA

**WASH**

- Connections to functioning pipelines: Yes
- Main water purification method: Tablets
- Main water source for cooking/washing: Protected well
- Main water source for drinking: Protected well
- No. functioning boreholes: 0
- Non-functioning: 0
- Complaints about drinking water quality: Yes
- Main problem with water: Too far
- Type of toilet: Open defecation
- Main garbage disposal method: Garbage pit
- No. garbage disposal points: 0
- Is solid waste a problem: Yes
