Selected Incidents Affecting Civilian Objects And Causing Civilian Casualties

**From July 2016 to June 2017, Coalition Airstrikes Have Killed At Least 933 Civilians and Injured 1,423**

**Total Airstrikes** 4,583

Coalition airstrikes continued to be the leading cause of civilian casualties, and child casualties, in the conflict.

**From July 2016 to June 2017, Shelling by Houthi/Saleh Forces Has Killed At Least 178 Civilians and Injured 420**

**Total Shelling** 1,143

The shelling of Taizz has been relentless, even after the impact of these attacks on civilians and civilian objects became apparent to the parties involved. The use of such tactics appears to be in violation of the prohibition of indiscriminate attacks and of the obligation under international humanitarian law to take all feasible precautions to protect civilians and civilian objects.
