

## Assessment overview

A joint IDP site verification exercise was conducted in Kismayo town in September 2020. The operation was led by CCCM partners and JRIA. 144 IDP sites were identified hosting 12,010 households or 64,051 individuals. Compared to the last site verification conducted in August 2019, there was an increase of 5 IDP sites and 1,223 Households or 4,840 individuals.

## Demographic data of IDPs living in Kismayo

**144** Verified IDP Sites  
hosting **12,010** Households  
hosting **64,051** Individuals

## People living with disability

Using the Washington Group disability questions, statistics of people living with disabilities were derived

**1,674 (2.6%)**  
people living with disability

- 415** have difficulty with seeing (even wearing glasses)
- 279** have difficulty with hearing (even using a hearing aid)
- 329** have difficulty with communicating and/or understanding (comprehending)
- 413** have difficulty with walking and/or climbing stairs
- 238** have difficulty with dressing and/or washing

## Eviction Risk Mapping

IDP sites were assessed based on their risk of eviction. Several factors were put into consideration such as IDP site tenure, type of agreements in place and whether an eviction notice has been issued recently.

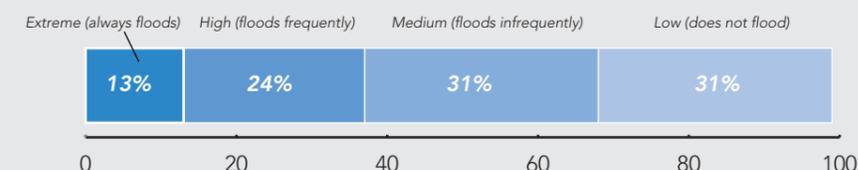

**35%** of IDP sites have been classified as having extreme (16%) and high (19%) risk of eviction

- 82%** of sites are landowner authorized occupancy
- 52%** of sites have no agreement in place
- 58%** of those that have agreements have oral agreements
- 55%** of those that have agreements have no agreed end dates
- 22%** of sites have been issued with eviction notice within the last 3 months

## Flood Risk Mapping

IDP sites were assessed based on their risk of flooding.

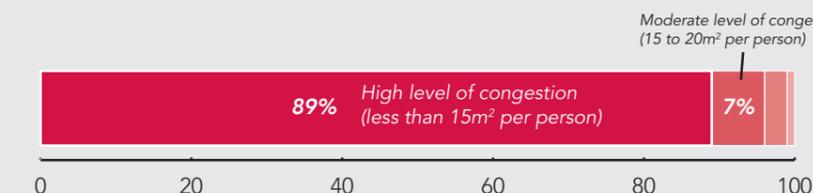

**54** IDP sites (38%) have been classified as extreme (always floods) and high (floods frequently)

## IDP Site Congestion Rate

Calculated as area of the IDP site divided by number of people in the site.

**128** IDP sites (89%) have high level of congestion with less than 15m<sup>2</sup> per person
