

LIAT continues to assist Dominica's recovery after Tropical Storm Erika

ST JOHN'S, Antigua, September 04, 2015 – LIAT, The Caribbean Airline, has announced further amendments to its schedule as it continues to assist Dominica recover from the devastation caused by Tropical Storm Erika.

In light of the continued closure of the Douglas-Charles Airport, LIAT is offering flights to Guadeloupe as an alternative for travellers to / from Dominica.

Dominica's Prime Minister, Roosevelt Skerrit, said it will take nearly EC\$40 million to restore the airport which was severely damaged during the storm.

"The airport has been impacted on heavily. The preliminary estimated cost to bring the airport back to operation would be in the region of EC\$39.5 million. That is what will be required to bring the airport back. Every piece of equipment at the airport has been destroyed and therefore every piece of equipment would have to be replaced," Skerrit said in his 6th nightly national address following the storm.

LIAT offers daily flights to / from Pointe-à-Pitre's Le Raizet Airport in Guadeloupe; and L'Express Des Isles Ferry Service operates to / from Dominica every day of the week except Tuesday.

LIAT schedule effective September 06-15, 2015
