## V. RAPID NEEDS ASSESSMENT (RNA)

- In anticipation of the magnitude of the effects of Typhoon Pablo in the areas where it made its landfall, an Inter-Cluster Coordination Meeting was conducted at the NDRRMC Conference Room on Dec 4, 2012 at 2:00 PM attended by NDRRMC member agencies and HCT agencies to discuss the likely response to Typhoon Pablo. The NDRRMC OPCEN organized a joint NDRRMC- Humanitarian Country Team (HCT) assessment missions to Regions X, XI and CARAGA after the landfall of Typhoon Pablo in Baganga, Davao Oriental on December 4, 2012. The three (3) assessment teams were constituted composed of NDRRMC and HCT agencies. On Dec 5, 2012 the teams proceeded to the respective regions to determine the immediate and life-saving needs of the severely affected population and to submit way forward response actions
- Brief Summary of the Findings of the three (3) Joint Rapid Needs Assessment Teams
- Strategic Humanitarian Needs in Regions X, XI and CARAGA
- WASH - water for sanitation and bathing is an urgent priority, promotion of hygiene and hygiene kit
- FOOD SECURITY – provision of food packs is the top priority specially in Region X
- CAMP COORDINATION AND MANAGEMENT/NON-FOOD ITEM AND SHELTER – Camp Coordinators must register the evacuees and disaggregate the data by sex, age, etc. Camp coordination needs improvement and in places where camps are impossible, community organizing is advised. issuance of Disaster Assistance Family Access Cards (DAFACs) is essential
- LOGISTICS – There is a need to set up a mobile communication kits in Compostela Valley and in Davao Oriental, Mobile storage facilities to house donations, generators for

those areas with power interruptions. Relief goods need to be tracked to ensure that there is no disruption of efforts made.

- HEALTH – In New Bataan, management of the dead is the most basic need where dead bodies are not properly disposed off. Psychosocial support is needed to stem the individual psychological impacts of the disaster.
  - NUTRITION – No information was available at the time of assessment. There is a need to provide vitamins to the pregnant and lactating women
  - PROTECTION - Continuing humanitarian crisis might increase the risk of looting and violence. Hence, adequate security must be enforced to prevent such occurrences
  - EDUCATION - Learning spaces for children is needed because of damaged/destroyed school buildings and to prioritize the immediate
