- The suicide victim and fatalities of leptospirosis were not included in the list of dead casualties

3. DAMAGED HOUSES (TAB C)

- A total of 51,757 houses were damaged (Totally – 14,705 /Partially – 37,052)

4. COST OF DAMAGES (TAB D)

- The estimated cost of damages to infrastructure, agriculture and school buildings amounted to PhP1,455,725,723.40

Infrastructure	-	PhP 1,142,893,824.40
Agriculture	-	PhP 312,831,899.00

II. EMERGENCY RESPONSE MANAGEMENT

A. COORDINATION MEETINGS

- NDRRMC convened on 17 December 2011 which was presided over by the SND and Chairperson, NDRRMC and attended by representatives of all member agencies. His Excellency President Benigno Simeon C. Aquino III provided the following guidance to NDRRMC Member Agencies:
 - to consider long-term mitigation measures to address siltation of rivers, mining and deforestation;
 - to identify high risk areas for human settlements and development and families be relocated into safe habitation;
 - to transfer military assets before the 3-day warning whenever a typhoon will affect communities at risks;
 - to review disaster management protocols to include maintenance and transportation costs of these assets (air, land, and maritime); and
 - need to come up with a Crisis Manual for natural disasters
- The President of the Republic of the Philippines visited RDRRMC X on Dec 21, 2011 to actually see the situation in the area and condition of the victims particularly in Cagayan de Oro and Iligan City and issued Proclamation No. 303 dated December 20, 2011, declaring a State of National Calamity in Regions VII, IX, X, XI, and CARAGA
- NDRRMC formally accepted the offer of assistance from the International Humanitarian Community through the United Nations Resident Coordinator and Humanitarian Coordination in the Philippines to the Philippine Government for the victims of Tropical Storm “Sendong”
- NDRRMC convened on 22 December 2011 for the planning and re-implementation of “One-Stop-Shop” (OSS) in anticipation of more international assistance to facilitate quick release to victims of TS “Sendong”
- Another Inter-agency cluster meeting was held on 23 Dec 2011, attended by government cluster leads and members, UN agencies and international organizations at DSWD X Cagayan de Oro. Thirty (30) organizations were also present in the said meeting
- Chief of Operations, NDRRMC, met with UN-OCHA Philippines on Dec 24, 2011 and discussed the Organization of Islamic Cooperation (OIC) Humanitarian Mission to the Philippines which intends to send a Needs Assessment Team to the ravaged areas in Northern Mindanao from Dec 25-29. Since the OIC does not form part of HCT Team and UN system, and with the passage of RA 10121, there appeared a need to review the guidelines and policies on humanitarian assistance.

- A meeting of the national cluster leaders and NDRRMC Vice-Chairpersons for Response and Rehabilitation was conducted on 27 December 2011 and discussed the status of the ongoing response and rehabilitation efforts for TS Sendong with the following highlights:

Relief Assistance – acceptance of donations from the International Community and the declaration of a State of National Calamity triggered an overwhelming support from the national and international community as seen in the huge amount of food and non-food items entering the cities of Iligan and Cagayan de Oro.

Additional Fund Approved by the President for response and rehabilitation amounting to PhP1.1Billion. DBM released PhP200 Million to DPWH for the immediate rehabilitation of Mandulong Bridges 1 and 2 to hasten the delivery of relief services.

Strategic Action Plan (SAP) – NEDA is in the final preparation of its SAP consisting of individual plans of rehabilitation for affected Regions including damage assessment, list of projects and funding requirements

Classroom Tents - DepEd reported that there are more than enough classrooms/tents that may be used by graduating students to finish the school year.

NFA Stock Inventory – Currently, NFA has enough stockpile of rice in the affected areas.

Improvement of the Early Warning System (EWS) – The DILG tested its improved EWS with the help of local/brgy executives through implementation of pre-emptive evacuation of residents living within hazard prone areas.

Revision of Cluster Approach Response mechanism - Amendment includes the involvement of DENR-MGB in the livelihood cluster through certification of safe relocation sites and NEDA under Early Recovery in its SAP for development.

Construction of Evacuation Centers from the 20% of the LGU's IRA- DILG and DBM to undertake a joint memo allowing the use of 20% of IRA for use in the construction of evacuation centers particularly in areas frequented by disasters

- **RDRRMC/OCDRC X** conducted series of regular inter-cluster coordination meetings from Dec 26-30, 2011 including the meetings between the UN Humanitarian Country Team and the government cluster leads presided by USEC Ramos. Said meetings were attended by RDRRMC TWG and the Council in banc, the secretaries of DSWD, DepEd and DILG with their undersecretaries, assistant secretaries and agency Officials to better address the concerns in each of the major clusters such as Food and NFIs, Camp/IDP Management, Emergency Shelter and Protection, Permanent Shelter and Livelihood, WASH, Health, Nutrition and Psychosocial Services, Education and Logistics.
- **RDRRMC X** conducted ten (10) cluster meetings from Dec 26- 31, 2011.

C. DAMAGE ASSESSMENT AND NEEDS ANALYSIS

- OCDRCX together with UN agencies and International Organizations Team conducted a joint humanitarian assessment on 19 Dec 2011 in Cagayan de Oro and Iligan cities.
- A Team led by USEC Ramos with members from OCDRCs IX, XI, XII and CARAGA proceeded to Iligan City and CDO and conducted ocular inspection
- CFSI deployed its emergency Response Team (ERT) and actively participated in the joint rapid needs assessment on 19 Dec conducted by UNHCT-NDRRMC team

D. DECLARATION OF STATE OF CALAMITY

- Per Proclamation No. 303 dated December 20, 2011, the President of the Republic of the Philippines declared a State of National Calamity in Regions VII, IX, X, XI, and CARAGA

E. ONGOING RELIEF AND EARLY RECOVERY OPERATIONS

(Cagayan de Oro City and Iligan City)

- **OCD/RDRMCMX** spearheaded in the conduct of ocular inspection in the affected areas, assessment of immediate needs, mobilization of resources (equipment and personnel), conduct of survey and monitoring, continuous provisions of the basic needs to the displaced population, and processing of NDRRMC financial aid to the beneficiaries of dead victims at PhP10,000.00 each victim and provided financial assistance to the beneficiaries of 33 Dead and 12 Injured;
- **PRO13 Task Force Iligan** continue its clearing operations at Orchids subdivision and Santigao East High School, Iligan City.
- Through the implementation of “One-Stop Shop” (OSS), the NDRRMC consolidates all international donations for Tropical Storm “Sendong” victims in Cagayan de Oro City and Iligan City
- As of January 5, 2012, the following foreign countries and INGOs have provided assistance through DSWD, DOH, and other INGO partners: Switzerland, Spain, Indonesia, Brunei, Japan, Ireland, Korea, Taiwan, Singapore and Italy; and INGOs such as: WHO, European Union Civil Protection Mechanism, ADPC, UNHCR, World Bank, JICA, KOIKA, UNICEF, European Union to the Philippines; Taiwan Chamber of Commerce and Industry and Philippine Mine Safety and Environment Association.
- **AUSAID** provided the following assistance through the Philippine Red Cross (PRC) and Community and Family Services International (CFSI):
 - PhP12.70 million (AUD300,000) worth of non-food items (sleeping mats, mosquito nets, hygiene kits and cooking sets) distributed through PRC to 5,000 families in Cagayan de Oro City, Iligan City and Bukidnon
 - PhP31.70 million (AUD750,000) for temporary and transitional shelters and WASH (water, sanitation and hygiene)
 - PhP10.60 million (AUD250,000) through CFSI for psycho-social support to survivors
- **CDRRMC Cagayan de Oro** conducted mass burial for the unidentified bodies at Bolonsori, Camaman-an, Cagayan de Oro City after the forensic processing by the NBI; and **CDRRMC Iligan City** buried unidentified bodies at Brgy. Pugaan Cemetery and did the same in Brgy. Paitan
- **OCDRD** together with USEC Benito Ramos briefed the President on the current situation;
- **RDRRMC 10 TWG, Response and Recovery Committee** met on 27 December 2011, in Cagayan de Oro City for the Damage and Loss Assessment (DALA). It was attended by concerned member agencies with OCDX Director Ana C. Cañeda and CDEXO Ronald Flores
- **CDRRMC Iligan** established four (4) evacuation centers: City Central School; Sta. Filomena Gym; Santiago Covered Court; and the Upper Hinaplanon Barangay Hall & covered court for the affected families in Iligan City
- **CDRRMC CDO** established the following evacuation centers: City Central School, West Central School, and Macasandig Covered Court - Evacuees were given basic needs

F. ACCOMPLISHMENTS PER CLUSTER

- RDCC X, as Chair of the Council and as the government lead on coordination, communication, early recovery and logistics had established forward operations at the alternate response coordination center and also the One –Stop-Shop (OSS) at DSWD FO X; stationed personnel at the Command Post in Iligan City; continue to preside and take the lead in the harmonization efforts including the global counterparts and INGOs under the DRRMC coordination mechanism system

1. FOOD AND NON-FOOD ITEMS

- **DOH/CHD** reported that as of 3 January 2012, a total of 171 cases and 3 deaths of suspected leptospirosis have been monitored in Region X; all admitted are undergoing treatment and laboratory confirmation; surge capacities of hospitals for possible influx of patients are being monitored closely
- To date, a total of 231 cases of leptospirosis and 232 diarrhel cases have been admitted to NMMC, with 5 deaths reported due to complications of leptospirosis and CHD X is continuously providing prophylaxis to residents of Brgy Macasandig
- As of January 05, 2012, NBI-DVI Operation is at its 3rd Ante-Mortem Phase with 200 unidentified bodies processed and buried at CDO and 128 in Iligan City; continuous monitoring and assessment of all evacuees including those already relocated temporarily
- **CHO-CDO** reported that health centers are adequately equipped with medications and other medical tools for the evacuees
- **DOH-NM** continuous monitoring the health needs and health threats of the evacuation sites with the coordination of other LGUs and NGOs; conducted free medical consultation, provided medicines and imparted health education
- Evacuees are given full health services for immunization of infants
- CDO - Medical team vaccinated most evacuees and given prophylaxis at Patag Covered Court, RHU conducted consultations and pre-natal provided and educated evacuees bout proper hygiene; DOH medical team provided free consultation and immunization in Bulua Covered court; Evacuees are given full health services for immunization of infants and evacuees are given constant health education in proper hygiene, sanitation and nutrition at Mandumol covered court/Macasandig covered court; Mt. Carmel Tent City are not yet visited by the medical team
- Provided posters on “No Smoking” at the evacuation center

Leptospirosis Management

- As of January 9, 2012, a total of 5,776 individuals in Region X have received leptospirosis prophylaxis (DOXYCYCLINE 100mg/tab/cap) through Direct Observed Treatment Scheme (DOTS)
- Intensified monitoring and massive implementation of leptospirosis prophylaxis using Direct Observed Treatment Scheme (DOTS) similar to Tuberculosis

Management; sentinel hospitals were provided with “leptocheck”; Information campaign against leptospirosis was carried out by means of tarpaulins and leaflets to ECs and other places in Iligan City; Leptospirosis prophylaxis was provided to different government agencies and private institutions that requested for the vaccines

- Leptospirosis streamers and tarpaulins were installed in Carmen (Sabanal); City Hall (Gate Entrance); Kiosko; Xavier College;
- City Central School; Provincial Capitol; CHD-NM (Front Gate); Macasandig Brgy Hall; Macasandig Elementary School; West City Central School; Overpass near West City Central School; Macanhan (DAR); Macanhan Centro; Centro Balulang; Balulang Health Center; Bridge near Paseo del Rio; Tibasak Covered Court; Bulua Covered Court; Tent City Calaan; Canitoan Elementary School; Bulao Elementary School; Iponan Multi Purpose Hall; RER Church in front of Liceo de Cagayan University, Carmen; Ampitheater, Divisoria; Bgy 15 – Burgos; and Capitol University entrance, Corales Extension
- Orientation of Rapid Diagnostic Test Kit for leptospirosis by the WHO to Doctors and Medical Technologists from different hospitals and health centers in Cagayan de Oro City
- A total of 16 deaths due to leptospirosis were reported, 8 of which came from Cagayan de Oro City, and 8 from Iligan City

2.2 Water Sanitation and Hygiene (WASH)

- Iligan City has 9 barangays that has no water supply (North side); will construct shallow wells for temporary use; continues water trucking for the supply
- CDO has already 90% of services restored though some areas still having low water pressure; still advise to boil or treat water due to ongoing pipe repair; evacuation center with good pressure is provided with tapstand and continues trucking for the supply of water to selected EC only
- Distribution of 50 portalets to different evacuation centers was done in Iligan City; head of the command center will identify area for temporary excreta dump site
- WATER District installed two (2) tap stand at Cala-anan tent City relocation site
- **CHD X** provided jerry cans and waterline, chloride solutions and water disinfectants to the LGUs to ECs; provided ten 2,000 liters and six 1,500 liters water tanks, constructed pit latrines in selected areas, provided chloride solutions and water disinfectants to the LGUs; set up filtration machine at Waling Waling, Ilaya fire hydrants, Carmen in Cagayan de Oro City; provided water tanks to four (4) major evacuation centers; coordinated with UNICEF for the provision of 200 “portalets” (100 each for Iligan and Cagayan de Oro; As of January 4, 2012, there were 174 existing latrines in 23 evacuation centers in Cagayan de Oro City with 76 installed in 16 ECs out of the 100 identified needs and conducted spraying of disinfectant and deodorizer to City Central, Macasandig EC and Macasandig ES and Tibasak covered court
- **WHO** donated diarrheal disease kits ready for ready transport
- **BFP X** provided water to ECs, funeral parlors, hospitals and affected Barangays; deployed 37 firetrucks and 330 personnel and distributed 642 truckloads of water (2,858,760 liters) in the affected areas of Iligan City and Cagayan de Oro City
- **CHD XI** deployed: One (1) medical team and one (1) psychosocial team from CHD X and one (1) medical team from Mayor Hilarion Ramiro Regional Training and Teaching Hospitals; augmented assorted medicines/ supply to CHO Iligan City; and Northern Mindanao Medical Center mobilized ambulance to Coast Guard to transfer patients retrieved by PCG;

- **Water District in Cagayan de Oro City** is assisted by private water tankers in delivering potable water to the different evacuation centers and other sources are donations from Aquavida
- **CHD CARAGA** augmented 9 cadaver bags and 72 boxes of hyphosol to CHD X; pre-positioned medicines and supplies; issued alert messages to local HEMS in respective provinces and cities for appropriate response and coordination
- **Local Water Utilities Administration** deployed 2 portable water treatment equipment at 10 gal/min capacity; 2 mobile treatment plant; a commercial boat; Electrical and Mechanical Engineers to help CDO Water District; LWUA Administrator Salvador Ner and Chairman Rene Villa conducted needs assessment to CDO; and Maynilad water treatment are stationed at Marcos bridge and new bridge in Kauswagan-Puntod Bridge
- **FICO-Davao and Malaybalay Firetrucks** delivered water to EC's and augmented water tanker for refilling at City Central School and Puntod covered court
- **HOLCIM Company** installed Water Purifier with 30 gpm capacity stationed at Tomas-Saco-16th Sts. Nazareth, Cagayan de Oro under the supervision of MGB-DENR
- **Manila Water Portable Treatment Plant** is located at Rodelza Circle, Carmen, Cagayan de Oro City with water source from deep-well
- **Philippine Red Cross** provided portable chlorinator to City Central and Kauswagan Elementary School
- **Joint OCD-RDRRMC V/Albay** dispatched 2 WASH Teams to the affected areas in Cagayan de Oro on 24 December 2011. Latest population served by the teams per area is as follows: **Iligan City** (629 families/3,145 persons in Ubaldo Laya Medical Station with 150 persons served for consultation and treatment); **Cagayan de Oro City** (1,105 families/7,546 persons at West City Central Medical Station with 80 persons served for medical treatment and consultation)
- **WATSAN** has been serving 3,500 families daily and the estimated water distributed for the whole day is 50,000 liters (40,000 liters for evacuation centers and 10,000 for the walk in affected families within Ilaya Carmen area where the AECID filtration machine is located. A Team composed of 8 locally hired staff are conducting data collection for disaster risk vulnerable sectors: no. of persons with disabilities (PWDs), children ages 0-18, lactating/ pregnant mothers and elderly
- **CHD V** conducted water and sanitation services, distributed 24,500 liters of water with an 8-hour operations in three (3) evacuation centers in CDO City West Central School and Community Consolacion EC and Brgy Carmen and community; continuously provides water supply distribution from filtration machine to seven (7) ECs in CDO and 1 in Iligan City; augmented water filtration in West City Central School EC
- **Swiss Development Aid Water team**, in conjunction with government water district confirmed that the water supply in CDO is adequate enough
- **Xavier University** donated fifteen (15) Eco San toilets.
- **Save the Children** commenced with the hygiene promotion activities in the ECs and installed water tanks (bladder/ stainless) at the following ECs in Region X: City Central School (24); West City Central School (30 bladder/2 stainless); Macasandig covered court (4 tanks); Tibasak covered court (8 stainless tanks); Kauswagan Brgy Hall (6 Bladder tanks); Bulao ES-Iponan (6 bladders); Old Church Iponan (3 bladders); Puntod Elementary (2 tanks); UCCP (6 bladder tanks); Upper Balulang (2 tanks); Macanhan Elementary School (2 tanks) and Consolacion covered court (18 bladders)
- **DOST Water Laboratory, Swiss Government together and Provincial Health Office** conducted random water testing/sampling to ECs
- COWD and CHO-SI are conducting water sampling/test in CDO

- In Iligan City ICWS doing the sampling; planning to set up bacte analysis at CHO Lab; test kit were already provided; 5 Water Purifier from Euro P2P Direct Selling Company was provided
- **HOLCIM, MANILA WATER, MAYNILAD, LWUA, PRC, MWPTP** companies/agencies and several trucking firms installed/provided assorted WASH equipment like water purifiers, chlorinators, water testing and filtration kits and treatment plants at different ECs
- WASH Teams have been providing pamphlets regarding leptospirosis and diarrhea
- DOH-NM installed **150 portalets** given by the UNICEF: 124 are installed in Cagayan de Oro City, 50 portalets are still on the process of being installed in Iligan City ; **Camp Manager** to certify the services provided by the contractor on the daily basis; **Sanitary Inspector** (SI) assigned to ECs will do progress report every afternoon; **City Health Officer** (CHO) validate ECs available space for portalet placement; **City Dump Site for Cagayan de Oro** is the dump site for waste and at Barangay, Bonbonon in Iligan City (subject to confirmation / validation) c/o Kevin Lee of Single Drop
- **DOH-CHDNM** procured 1,000 trash bags distributed to different evacuation centers for garbage disposal; BLGU is assigned for collection of the disposal and Private Garbage Collection Company BAI is routinely going around ECs to pick-up garbage. Distributed mosquito nets to evacuation centers and conducted spraying of disinfectant and deodorizer to the following ECs: City Central School; Macasandig Covered Court; Macasandig Elementary School; Tibasak Covered Court; and West City Central School
- **LGUs Bacolod, Kapatagan, PHOs Lanao del Norte/Sur, LDN San Miguel** provided fire trucks for water supply to evacuation centers
- **WHO** visited the Operations Center in Iligan and other ECs in the area to verify and provide guidance in the ongoing operations particularly with the SPEED system; conducted orientation on rapid diagnostic Test Kit for leptospirosis to MD's and med techs from different hospitals and health centers in CDO
- **Joint DOH/CHD and DOST-X** conducted water analysis in various ECs and detected the presence of coliform and E. Coli in Puntod covered court tank and at the deepwell in Bulua Zone 6 - chlorination at the said sites was conducted
- **DOST** provided water testing in Cagayan de Oro and Iligan City. Water treatment equipment were also stationed at strategic areas in Cagayan de Oro, facilitated by Maynilad, LUWA, Manila Water, HOLCIM, Team Albay and Agua Vida with 2 stations
- **PRC** provided portable chlorinator to City Central School and Kauswagan Elementary School
- As of Jan 5, 2012 water supply in Brgy Macasandig is 91 % in recovery rate; 95 % of water supply from the City Water District at east side of Cagayan de Oro is restored, quality of water supply has passed standards; new chlorinators are installed in supply points; City Water District made spot checks on different pipelines but yielded positive results; and eight (8) trucks are controlled and monitored by the City Water District
- **DOH** constructed latrines; portalets are being used by the occupants at the Tent City; Water pipes being set up for the installation of water in Calaanan Tent City, Cagayan de Oro City
- **UNHCR** delivered around 200 water containers to people in Lanipao, Iligan, which is a remote village still in need of humanitarian aid; On 12 January 2012, UNHCR distributed 5,649 hygiene kits and jerry cans to 4880 families (22,730 people) living in storm/conflict affected communities in remote areas
- **Philippine Red Cross** put up 1000 tents and undetermined number of portalets in Calaanan Tent City, Cagayan de Oro City

- As of 05 January 2012, 95% of water supply from the City Water District at east side of Cagayan de Oro is restored; there are no additional wells at the west side of Cagayan de Oro City because production wells were totally damaged. However, Trio Verde will resume their water supply
- Water supply in Macasandig is at 91% recovery status
- CDO Water district installed 2 tapstand at Calanaan Tent City relocation site
- Additional garbage bags were given in CDO and re-validated the number of families and individuals at Iponan Multipurpose Hall; given constant health education in proper hygiene, sanitation, and nutrition
- 75% have designated area for the solid waste in CDO; ongoing spray on EM1 and anti-mosquito chemical and distribution of mosquito nets
- Iligan City has an ongoing spraying of anti-mosquito chemical and distribution of mosquito nets
- Assessed the status of evacuation centers on their waste disposal as of 11 January 2012:
 - Iponan Multipurpose Hall – Sacks and trash cans were utilized; Garbage was collected regularly but not on a daily basis; No proper drainage system; Evacuees are now observing proper waste disposal, thus few flies are seen
 - Bulua Covered Court - No proper garbage/ waste disposal; Good draining facilities
 - Carmen Brgy. Hall - Six (6) garbage bins
 - Macasandig Covered Court - Improper disposal of garbage. No compliance with health teachings on environmental sanitation
 - Consolacion Covered Court - No proper waste segregation
 - Patag Covered Court - Drainage is clear, no clog noticed

2.3 Nutrition

- **DOH CHD** conducted orientation to RHTPP Nutritionist, BNS and BHWs of Cagayan de Oro City for nutritional assessment in 5 evacuation centers; coordinated with CHO-CDO regarding the orientation of BHW and BHN for field dispatch; issued a Joint Cluster Statement on Infant Feeding in Emergencies thru a Regional Memorandum (RM 2011-04) for dissemination to the cluster and sectoral partners including the PIA in the region; visited 2 evacuation centers in CDO and 1 EC in Iligan city to assess and monitor IFE, and advocate IFE support; transported Frozen Human Milk to CHO Iligan City to support infants fed with BMS and delivered 10 packs to Ubaldo Laya Elementary School with functional breastfeeding room catering an average of 25 mothers per day, with 2 nurses from CHD Bicol served as breastfeeding counselors; oriented the three (3) nutritionists from the Rural Health Team Placement Program (RHTP) of DOH and selected 8 BNS/BHW on the actual conduct of MUAC measurement to cover 5 ECs in CDO and Iligan to work with cluster; conducted Nutrition Cluster meeting with members: CHD-NM, NNC-X, ACF, Save the Children, CNO-CDO, UNICEF, Child Fund, World Vision, RHTPP Nutritionist, and WFP to discuss the detailed nutrition in emergency response plan of the CHD that will facilitate the generation of support from cluster partners; and received 49 pieces of flip chart on breastfeeding from Save the Children; conducted breastfeeding class to mothers in Brgy Bulua covered court; micronutrient supplementation using multiple micronutrient powder has started and will continue until January 13, 2012 by four (4) mobile teams composed of CHD Nutritionist-Dieticians and Barangay Nutrition scholars
- DOH Nutritional cluster gave supplemental micronutrients from ages 6 months to 4 years old at Bulua Covered Court; Evacuees have access to a wide variety of meals from outside donations and LGU
- **World Vision and Child Fund partner agencies** established child friendly spaces breastfeeding spaces in ECs

- **UNICEF** provided micronutrient supplementation (Vitamin A) to 345 children (6-59 months) in 10 evacuation centers in CDO and led in the conduct of IFE orientation in CDO and Iligan cities; set-up breastfeeding tent in Upper Balulang and installed 2 freezers from NMMC and another in CHDX dormitory for the pasteurized milk
- **WFP** distributed ready-to-use supplementary food (RUSF) to 829 children (6 months to 5 yrs olds) in 6 ECs in CDO and 1,115 children of similar ages in nine (9) ECs in Iligan city
- Eighty eight (88) bags (200ml/bag) of pasteurized breast milk were delivered intended for distribution to CDO (43) and Iligan (45)
- Distribution of human milk was conducted at Iligan City; Conducted the measurement of the Mid-Upper Arm Circumference; Continuous assessment to be done at evacuation center

Number of Pregnant and Lactating Women			
as of 29 December 2011			
Name of EC	Pregnant	Lactating	Total
West City Central School	39	17	56
Macasandig	34	25	59
City Central	28	14	44
Bulua	23	18	41

Canitoan	10	7	17
Carmen Brgy Hall	8	19	27
Macabalan Elem School	8	4	12
Puntod	2	4	6
TOTAL	207	158	367

2.4 Psychosocial Intervention

- **Reproductive Health – CHD V** team set-up breastfeeding area for lactating mothers in Ubaldo Laya Iligan and FPOP, UNFPA and ACF supported the reproductive health in emergencies
- **To date, some 1,075 individuals have undergone psychosocial processing by the DSWD in evacuation centers in Cagayan de Oro City. A 3-day training on Psychosocial Support Interventions for FO X LGU social workers in Iligan City is ongoing.**
- **DSWD VII** through its SWAD Team provided emotional support to 360 individuals
- **DSWD XII** deployed 15 social workers to Iligan City to assist with the stress debriefing; conducted PSP for children below 5 years in the following schools: West City Central, City Central, Macasandig and Bulua that drew favourable results – children are gradually opened up their fears, anxieties and share their negative emotions and traumatic experiences; and will deploy their Mental Health Psychosocial Service Team to assist in the stress debriefing
- **CHD VII** team provided an orientation on MDM and DVI to the CHD X MDM teams and some volunteer psychosocial teams from USC-Cebu. An orientation was also conducted for the CDRRMC Coordinators and City Officials on how to set up a

One-Stop-Shop Action Center clarifying the roles and functions of different agencies and stakeholders

- **CHD IX** conducted Medical Missions at City Central School from January 4-7, 2012, serving a total of 368 individuals. The group observed that the evacuees/patients are in need of psychosocial attention.
- **PRO X** provided a live entertainment band and **CDRRMC** deployed CISD team to assist in stress debriefing. A total of 32 debriefers conducted stress debriefing to **1,360** persons (CDO:495 and Iligan:**865**)
- **Child Fund, World Vision, Philippine Service of Mercy Foundation, Inc. and Hope World Wide Phils** are also very active in counselling and the CHD X provided psychotropic drugs at the evacuation centers
- **CHO-TRC** Dr. Benson Go is taking the lead in the assessment and provision of psychosocial services in all ECs
- **DSWD** and **WHO** are also providing MHPSS together with the responders and LGU workers
- **NCMH** conducted psychosocial intervention/debriefing to 50 CHDNM personnel (RN Heals and OpCen Logistics Team)
- **NBI-PS** conducted debriefing among the families with missing and unidentified deaths and conducted assessment to the affected individuals in 14 areas in CDO and Iligan Cities. A total of 435 individuals were debriefed by the psychosocial team from different agencies
- **CDO** - MHPSS Cluster (PRC, DSWD, Vicente Sotto Memorial Medical Center, CHD X, DOH-Metro Manila, National Center for Mental Health and University of San Carlos) in 25 evacuation sites: 30 persons processed; 110 counselled, 3,520 persons debriefed and 10 patients needing psychiatric treatment.
- **Iligan City** - MHPSS Cluster (NCMH, Cotabato Regional Medical Center, MERN-CM, CSWDO-Gensan) in 10 evacuation sites - 236 persons processed, 236 persons debriefed and 2 patients needing psychiatric treatment
- Psychosocial team of Davao arrived in Iligan City last Jan. 9, 2012 and deployed in Ubaldo Laya Elementary School.
- Iligan City, MHPSS Point person ask for Anti psychotic drugs and requested at CHDNM for augmentation.
- UNICEF, in partnership with CFSI, conducted psychosocial activities benefiting more than 1,300 children in 12 ECs in Iligan and CDO; gearing up for a series of trainings on Family Tracing and Unification (FTR), Psychosocial Support, and Social Work Case Management
- CPWG members conducted psychosocial and debriefing activities to at least 3,000 children in Region X
- Volunteers from the Education Cluster underwent training on psychosocial support and care to assist DepEd in handling sessions under classroom setting
- The vulnerable groups/ sectors such as PWDs, pregnant/ lactating women, and single-headed families were identified and given specific attention
- Following are the MHPSS Team GO's, NGO's and other agencies involved in the Mental Health and Psychosocial Cluster and still providing psychosocial intervention to all evacuation centers and communities

DOH	MSU IIT	Plan Int'l
DSWD	DLSU	Love and Care
DepEd	MSF	Compassion Phils.
NCMH	MTB	Save the Children
VSMC	HOM	Unicef
PNRC	WHO	Art of Living
Liceo d C	XU	World Vision
MERN	CFSI	Mlang RHU

USC	10-4 Org.	FBOs
-----	-----------	------

- Training of the local people to do psychosocial processing with partner agencies being tapped like the NCMH, XU, UP-PGH, TMC, and the PPA
- Dr Ron Law of HEMS and Miss Thelma Barrera of NCMH gave the orientation on IASC Guidelines for MHPSS to standardize psychosocial intervention and trainings

3. PERMANENT SHELTER/LIVELIHOOD CLUSTER

- DSWD allocated Php206,360,000.00 (Subject for negotiation to qualified NGO) for Core Shelter Assistance Project
- 9.5 hectares in Calanaan have been identified as permanent relocation site with the site development plan and 50 hectares in the municipality of Villanueva, Misamis Oriental was identified and being prepared by the National Housing Authority
- 3.5 hectares of land in Balulang have been identified as a prospect relocation site and is being negotiated by the barangay captain
- A meeting for the Implementation of a Comprehensive Permanent Housing Program through Integration and Resource Sharing Approach with VP Jejomar Binay, Chairman, HUDCC, was conducted at the Coconut Palace, CCP Complex, Manila; Over 6,000 permanent relocation houses will be available by April according to HUDCC (3,041 in CDO and 3,650 in Iligan)
- **DSWS FO X is needing volunteers to help in monumenting the permanent shelter site in Calanaan under the cash-for-work program. This is in partnership with Habitat for Humanity and the City Engineers Office**

Temporary Shelter Assistance Project

- Calanaan with a total of 6.5 (3.5 + 3) hectares **relocation site– 356 shelter boxes** are now installed in Calanaan with the Rotarian Club, PNP trainees and Cagayan University (CU) student volunteers. Mayor Vicente Emano committed another 3 hectares in Calanaan as temporary relocation site; 1 multipurpose operations center was established; with 20 portalets installed; ongoing construction of communal kitchens (1 kitchen for every 10 families); ongoing construction of 2 multipurpose huts from IOM; 1 PNP Command post; water and electricity already available
- DSWD is constructing communal kitchens (one communal kitchen per ten families) and one operation center. IOM is also constructing two multi-purpose centers in the area
- DSWD has funded the construction of 120 units of bunkhouses for 120 families as temporary shelter. The 52nd AFP Engineering Brigade is building the bunk houses
- Roman Catholic Archdiocese identified new temporary relocation sites at San Jose Seminary and old cemetery beside Xavier University in Cagayan de Oro
- 967 tents were donated by International Donors are now with DSWD ready to be set up
- **Temporary/Transition Shelter Sites: 149 tents from Shelter Boxes for 118 families and 32 duplex type tents for 84 families in Iligan City; In Cagayan de Oro City, 393 families/2,049 persons are now in Calanaan and 109 families in transition shelter, 88 families in Calala will transfer to Lumbia temporary relocation site by January 18, 2012; 123 families are staying at Km 5 and Agusan Elementary Schools**
- **Lumbia with 5 hectares relocation site** - Ground breaking ceremony was done in Lumbia graced by Senator Richard Gordon, continuous clearing of the site; Xavier University and a Brown Company presented the site development plan for the 12 bunkhouses. The IOM linked with the DSWD X to construct 320

bunkhouses in Lumbia adjacent to the relocation site; ongoing installation of 408 tents in Calanaan, Canitoan, CDO City; a tripartite MOA for permanent shelter of TS "Sendong" victims is being drafted among parties concerned: DSWD X, CDO City and Habitat for Humanity

- **DENR X** in coordination with Shelter Cluster Committee and DSWD conducted ocular inspection at Zone 3, Brgy. Lumbia, Cagayan de Oro City as resettlement site with the following assessments and recommendations:
 - Five (5) hectares allotted to construct houses for 120 families
 - Owned by Xavier University and accessible/near to basic services facilities like health center, primary and secondary school
 - Source of water is from the water tank of CDO water district
 - Suitable as permanent resettlement site
- Mobilized KALAHI Engineers to assist in the site inspection on the resettlement area and monitor the site development (Site No. 1 in Brgy Calanaan, CDO - 3 hectares prepared for putting-up of Tent City while 9 hectares for construction of row houses
- Other support system – 6 volunteered for repacking of goods at the DSWD FO 10 compound and 2 volunteered in the encoding and data banking
- Typhoon "Sendong" Response Coordination Center is installed at the 2nd floor of DSWD 10
- Sec. Dinky Soliman directed 11 staff to augment the FO 10 staff in the Relief Operations: CO Standard Bureau (3), NCR (6), and Region IV-B (2). The staff arrived in Cagayan de Oro City

4. EDUCATION CLUSTER

- **UNICEF** donated school relief items to 250 students of Santiago East HS and were provided assistance from PRO13-TG "Tabang Ilagan" during the activity
- **DepEd** dispatched an inspectorate team composed of technical staff (DepEd-PFSED) from DepEd Central, Regional and Division Office to conduct damage and needs assessment to all affected schools in all affected regions; assisted in the identification of recipient schools for the pre-positioning of the CFS/PLAY and school tents from the Save the Children Indonesia/UNICEF; dispatched a technical team (Division Project Engineers/Architects and PFCs) to conduct ocular inspection and evaluation to quantify the amount of damages of all affected schools and Northern Mindanao flashflood; Education Cluster led by Dep Ed conducted national and regional coordination meetings for the Rapid Needs Assessment and immediate plans for response, recovery and rehabilitation; assigned a staff/ coordinator to join the team/group formed by OCD-NDRRMC and BOC that will facilitate and monitor the 24/7 activities and operation of the "One-Stop-Shop" for the relief goods at designated ports at CDO
- Sultan Kudarat DepEd Division donated PHP150,000.00; PLAN International donated 500 tents and pledged additional tents to benefit the displaced students in Region X
- DepEd X and other contingents from the PN, PNP and Youth volunteers assisted in the cleaning and clearing of classrooms to prepare for the January 3, 2012 opening of classes
- **DepEd** will see how many classrooms can be freed up and available for classes in Cagayan de Oro and Iligan City depending on the readiness of spaces and tents available for the temporary transfer of families that are inside school buildings, but IDPs will never be forced to vacate the classrooms, will have to use alternate classrooms in school yards, church grounds and other open spaces; disclosed that classes will resume as scheduled on 03 January 2012; and conducted Regional Executive Committee (REXECOM) meeting on the continued operation of DepEd X Command Center

- Cong. Rufus Rodriguez led the decongestion/transfer of evacuees from 10 classrooms of West City Central School in CDO to the nearby Carmen Cathedral; and put-up 20 tents in Agusan Elementary School, also in CDO;
- **Plan International** pledged to put up 400 tents
- **Save the Children, UNICEF and Rotary International** promised additional tents
- Families in Tuburan and Tambacan Elementary School in Iligan City has moved to the set-up tents within the school
- As classes resumed in Iligan City, UNHCR distributed plastic sheets and rolls that now serve as temporary learning facilities for more than 1,449 school-age children in 7 elementary schools which displaced people still occupy

School Readiness:

- Planning meeting with school heads of affected schools was conducted and encouraged them to formulate plans and initiate activities to make the schools ready on 3 January 2012; Heads of non-affected schools adopted the affected schools and were encouraged to tap more stakeholders to assist in the clean-up operation; IDPs were requested to assist in the cleaning / clearing operations; identify available barangay covered courts and chapels for possible temporary IDP relocation to decongest the West City Central School and City Central School; and directed all school heads to formulate project proposal for materials needed for the school opening and resumption of classes
- Education Cluster for Emergencies met on 31 December 2011 together with the principals of schools in CDO that are currently being used as ECs and Engineers of PFSED for the preparation in the resumption of classes

Cleaning / Clearing of Classrooms (Brigada Eskwela):

- DepEd Physical Facilities Schools Engineering Division (PFSED) were mobilized to help in the cleaning and clearing operations
- So far, the following schools are cleaned, cleared and ready for the resumption of classes on 3 January 2012: Bulua NHS, Iponan ES, Iponan NHS, North City Central School, Puntod NHS, Baluan ES, CDO NHS, Balulang Annex, Macanhan ES, Carmen NHS, Canitoan ES, Angeles NHS, Consolacion ES and Pagatpat ES
- PLAN International provided cleaning materials and equipment for the cleaning and clearing of classrooms at Consolacion Elementary School and other damaged school buildings
- Spearheaded by DepEd X, other contingents from Philippine Navy, Philippine National Police and Youth volunteers from the National Youth Commission assisted in the cleaning and clearing of affected classrooms

Assistance to affected teachers and non Teaching Staff of Dep Ed

- DepEd was able to generate PhP1,300,000.00 from various private sectors, other DepEd Divisions in Region X, other DepEd Regional offices, private individuals, etc. which will be utilized to assist over affected teaching and non-teaching staff of DepEd Region X
 - Division of Cagayan de Oro – PhP400,000.00
 - Division of Iligan - PhP400,000.00
 - Affected Regional Office personnel – PhP150,000.00
- DepEd received assistance from ABS-CBN Foundation for the teachers and non-teaching staff of DepEd X; distributed 10 sacks of rice and 10 boxes of canned goods from Xavier University; distributed 8,000 assorted clothing and grocery items to ECs in Cagayan de Oro and Iligan City
- Cong. Piamonte of A-Teacher Party List extended financial assistance, food (snacks), blankets and grocery items to affected teachers and personnel of DepEd CDO and Iligan

Assistance to Public School Students

- All school heads were directed to formulate project proposals for materials needed for the school opening
- **UNICEF** provided 57 resource materials /play kits distributed in Cagayan de Oro City and Iligan City
- **Ayala Foundation** will provide school bags and supplies (notebooks, pad, paper, ballpens, pencils, scissors and etc) to public school students and will also help Dep Ed in rebuilding classrooms

5. DSWD/IDP CAMP MANAGEMENT, EMERGENCY SHELTER, PROTECTION

- As of 31 December 2011, a total of 30 out of 45 ECs (12 ECs are closed in CDO and 3 in Iligan)
- Number of schools identified as ECs = 11 in CDO with 268 classrooms utilized and 11 ECs in Iligan City
- As of 31, December A total of 29,147 families/ 285,972 persons were served in Cagayan de Oro city (inside and outside) and 15, 937, in Iligan City (inside and outside)
- Mobilized 1,698 IDPs in Cagayan de Oro City (inside and outside) to maintain the cleanliness of ECs under the cash for work program

Child Protection Cluster

- **DSWD X** hosted and facilitated the meeting of Child Protection Working Group on December 30, 2011 with 27 participants
- Mr. Jordan Apat of the Philippine Service of Mercy Foundation (PSMF) Inc oriented the group on the programs and services of the foundation for children with special needs in the evacuation centers
- **Child Protection Working Group (CPWG)** handle abandoned children, disabled survivor staying inside and outside evacuation centers and crafted a draft TOR for finalization on 30 December that will be participated in by NGOs like the CFSI, Balay Mindanao and Philippine Service of Mercy Foundation, Inc.
- The Protection cluster, co-chaired by DSWD with UNHCR, supports 36,500 extremely vulnerable individuals. During the first phase, essential items are delivered to families to ensure protection and safety. Second phase focuses on community-based activities to help decongest ECs, stabilize communities and find durable solutions, particularly those in remote communities, those additionally impacted by the on-going armed conflict, and people with specific needs. The cluster also provides advice on humanitarian assistance and relocation.
- UNHCR has distributed non-food items for the protection of about 34,814 people (7,402 families) in Iligan City, Lanao del Norte and Lanao del Sur in remote and hard-to-reach barangays. UNHCR distributed with DSWD, DepEd, Iligan City government officials and local NGOs, the following items: 3,298 blankets; 1,830 plastic sheets; 59 plastic rolls; 1,561 kitchen sets; 200 jerry cans (water containers); and 251 shovels as of 6 January 2011.
- UNHCR assessment shows that 29 villages in Bukidnon and 9 in Iligan have in addition suffered the effects of the on-going conflict. UNHCR plans to expand its work to Bukidnon and is presently studying the overlap between conflict- and flood-affected populations. First integrated meetings of the Protection Cluster, including the two sub-clusters and co-chaired by DSWD and UNHCR, were held in Iligan and CDO.
- Per DSWD report, a total of 15 separated/ unaccompanied/ abandoned/ orphaned children are under their custody as of 12 January 2012
- UNICEF together with SGBV, spearheaded the distribution of advocacy materials (SAY NO, RUN and TELL) for the prevention of abuse in ECs particularly with young girls and women

- UNHCR, with DSWD and local NGOs, distributed protection items to 13602 families (68563 people) in storm and conflict affected remote areas by 12 January 2011. UNHCR has delivered 9080 blankets, 4094 plastic sheets, 109 plastic rolls, 3033 kitchen sets, 2331 jerry cans, 3138 hygiene kits, 1355 garbs, 1332 synthetic mats, 2183 shovels, 1718 garden hoes, 694 ropes, and 734 pails. Rapid assessment of communities affected by both the flood and the on-going decades-long conflict in Mindanao takes place. Commission on Human Rights of the Philippines (CHRP) develops a policy position to be shared with stakeholders to ensure rights are protected in the relocation of people and closure of ECs.
- **The DSWD Field Office X will install a Regional Grievance Redress System (GRS) to respond to complaints and inquiries. Grievance desks will also be installed in evacuation centers to facilitate the concerns of the IDPs**

6. LOGISTICS CLUSTER

- A meeting of the Logistics Cluster was conducted on January 10, 2012 to discuss, among others, submissions from Logistics Cluster members for additional projects for the flash appeal which is due by the 26th of January
- A Philippine Navy Ship transporting 1,500 units of corrugated GI sheets donated by Philsteel Holdings Corporation intended for core shelter is set to sail from Manila to CDO on 13 January 2012 – other agencies who wish to donate were encouraged to avail of the free transport courtesy of the Philippine Navy
- OCD maintains close coordination with the AFP to facilitate use of military assets for transport of goods; Facilitated the availability of three (3) M-35 trucks from CG, 4ID, PA to transport relief goods
- Organization of Islamic Cooperation (OIC) worked with DSWD X and DFA in the needs assessment of the victims of Cagayan de Oro and Iligan City
- RDCG X – ARESKOM 12 reserved officers volunteered in repacking of relief goods at FO10 compound and another 4 individuals volunteered in repacking
- Facilitated the availability of trucks to transport relief goods from Lumbia Airport to DSWD Regional Office X
- Coordinated with 10 RCDG, ARESKOM on the availability of fifty (50) ROTC cadets for augmentation to DSWD in assisting repacking of relief items
- Augmented one (1) OCD Personnel to compose the ONE STOP SHOP (OSS) Team headed by BOC with DSWD as the primary consignee for the acceptance and processing of foreign donations and to expedite relief, recovery and rehabilitation efforts
- Forward Operations and Coordination Center for TS “Sendong” has been established at the DSWD X Conference Room which is also the information management hub with support of OCHA. The One-Stop-Shop is co-located in the Forward Operations
- Meeting of the Logistics cluster led by OCD with WFP, UNICEF, UNHCR, IOM, HABITAT, CFSI, Save the Children Foundation discussed the goods storages located in DSWD X, gym at 4ID, NFA warehouse in Patag 6th Div and the one near the WFP Office in Iligan City; availability of vehicles for deployment; cargo movement and availability of commercial freight offering free space for goods
- A masterlist of IDPs inside evacuation center will be provided
- **OCD X** with support from OCHA made a draft action plan on the relocation of survivor families, the body agreed to send back to OCD suggestions on the cluster activities for the Action Plan
- **Chairperson Private Sector Disaster Management Network (PSDMN)** reported the following :
 - Air Philippines is offering use of cargo hold for relief goods/rescue equipment of new Airbuses

- Ayala Foundation has been conducting relief operations in CDO in coordination with Gawad-Kalinga Misamis Oriental and already distributed relief packs to 6,360 families
- Negros Navigation has shipping available for a limited time from Manila to CDO and Iligan
- WORLD VISION (CDO), UNCHR (Iligan), UNFPA (CDO) and PHILIPPINE RED CROSS (CDO) have warehouses for shipments coming from Manila; ACF continues to distribute NFIs while utilizing the storage of the Logistics Cluster

III. PROBLEMS ENCOUNTERED

- Some of the problems encountered are partial restoration of light and water in the affected areas; scarcity of drinking water, shelter, food and NFIs; management of relief goods at the local DRRMC command posts/ coordination centers; influx of relief goods in large quantities from donor agencies/ companies; difficulty storing the relief goods; need for an established /improved relief distribution system and logistical mobilization
- Delayed response from affected LGUs; lack of coordination between LGUs and Clusters; and increasing number of leptospirosis cases particularly those not staying inside ECs, both in CDO and Iligan Cities (they were offered prophylaxis but refused to take it)
- Domestic animals are in close proximity with the evacuees (Cagayan de Oro City)
- Nutrition and proper hygiene of the children
- Warehouse for donated items
- Portalets are not being utilized fully due to lack of dumpsites
- Effects of the damaged water facility in Iligan: no definite delivery schedule of water and lack of trucks available to deliver
- RN Heals personnel were not properly oriented with leptospirosis management, hence, hesitance of hospital personnel to them
- **Priority Needs in Region X**
 - ✓ Non Food Items (NFIs) including kitchen utensils, blankets, sleeping mats and jerry cans
 - ✓ WASH facilities – water, soaps, hygiene kits, and latrines
 - ✓ Food items – ready-to-eat food with appropriate nutrition (noodles and rice)
 - ✓ Potable/ drinking water, water purifiers, portable tents
 - ✓ Immediate availability of lot/ area suitable for temporary shelter/ tents/ bunkhouses to relieve congestions in IDP centers (ECs) and in preparation of vacating the schools used as evacuation centers in view of the resumption of classes on 3 January 2012
 - ✓ Warehouse for donated items
 - ✓ Medical charts in ECs
 - ✓ Antipsychotic drugs particularly in Iligan City
 - ✓ Additional transport assets as most of the AFP vehicles are being utilized by the DSWD

Iligan City

WASH - water kits, hyposol and jerry cans

NFIs - cooking utensils, hygiene kits, sleeping kits, blankets, slippers, clothing, temporary shelter, food supply for one week; medicines, psychosocial support and livelihood support

IV. CHALLENGES

- Decongesting the schools utilized as IDP camps as prevention against spread of communicable diseases;
- Processing IDP families for the available sites for temporary transition shelter/tents and cross matching the lists of families from the LGU and by the DSWD shelter cluster;
- Prioritizing IDP families with totally damaged houses and those prohibited from returning to the Inhabitable/No build zones;
- Collection and management of disaggregated data especially on IDP families outside of evacuation centers as well as delivery of assistance to these families;
- Need to augment rice assistance to IDP families outside of evacuation camps;
- Provision and delivery of WASH and other essential amenities/ utilities in the shelter;
- Logistics for mobilization of equipment, facilities and IDP families to the shelter site; and
- Need for more geologists to fast track inspection and geohazard assessment of proposed relocation sites

V. RECOMMENDATIONS

Cagayan de Oro City

Short term program – NFI, WASH, and food at the evacuation centers; Availability of tents for temporary shelter of IDPs; Debris clean up is a priority; provision of temporary shelter before school classes resumes

Medium term – in depth assessment and analysis is required to look into early recovery and rehabilitation concerns

Long term – need to strengthen early warning procedures and preparedness on the issues of zoning and identification of possible relocation sites

- There should be separate area for domestic animals
- Health education in proper hygiene and nutrition to children
- Network and coordination with Accion contre la faim (Int'l NGO), DSWD, Food cluster and Religious group (Fr. Nasser/ Bro Evans Satur- camp manager)
- Proper storage and management of breastmilk in bags
- Continue intensive nutritional mgt for identified severely malnourished cases
- Nutritionist led cooking demo to be conducted in the communal kitchen
- Food program
- Availability and continuous access to medical personnel as well as medical supplies in ECs especially for leptospirosis management
- Designate areas in ECs for psychosocial services and counselling aside from hospitals
- Legislate a Regional Memorandum on Sanitation and Water Strategy and furnish the same to all entities and agencies doing WASH
- Continuous weekly WASH cluster meeting every Wednesday

VI. NEXT STEPS/FORWARD PLANS

- Establishment of a Forward Operations Center (FOC) in Iligan City
- RDRRMC-TWG meeting with DALA sectors including Trade and Commerce, Industry and Manufacturing, Services and Tourism, Banking and Finance, Insurance, Electricity, Water and Transportation
- Prepare an action plan on the temporary relocation of survivor families to available spaces
- Second wave of Joint Assessment on the humanitarian need situation
