II. EMERGENCY PREPAREDNESS AND RESPONSE

A. WARNING DISSEMINATION

- Prior to the entry of TD “Sendong” in the Philippine Area of Responsibility (PAR), NDRRMC OpCen was already activated as early as 09 December 2011 under “Blue Alert” status to provide necessary alert and warnings to the RDRRMCs concerned for further dissemination to their respective provincial, municipal, and city DRRMCs
- On 16 December 2011, NDRRMC OpCen was further elevated to “Red Alert” status wherein representatives of member agencies rendered duty at the Operations Center to fast track coordination with their local counterparts for the necessary preparations and possible emergency response
- Member agencies represented at OpCen are PAGASA, DSWD, DOH-HEMS, AFP, PNP and PCG who are closely coordinating with their local counterparts to address the needs and requirements particularly in the heavily devastated areas like Cagayan de Oro City and Iligan City

B. COORDINATION MEETINGS

- NDRRMC convened on 17 December 2011 which was presided over by the SND and Chairperson, NDRRMC and attended by representatives of all member agencies. His Excellency President Benigno Simeon C. Aquino III provided the following guidance to NDRRMC Member Agencies:
 - to consider long-term mitigation measures to address siltation of rivers, mining and deforestation;
 - to identify high risk areas for human settlements and development and families be relocated into safe habitation;
 - to transfer military assets before the 3-day warning whenever a typhoon will affect communities at risks;
 - to review disaster management protocols to include maintenance and transportation costs of these assets (air, land, and maritime); and
 - need to come up with a Crisis Manual for natural disasters

- The President of the Republic of the Philippines issued Proclamation No. 303 dated December 20, 2011, declaring a State of National Calamity in Regions VII, IX, X, XI, and CARAGA
- NDRRMC formally accepted the offer of assistance from the International Humanitarian Community thru the United Nations Resident Coordinator and Humanitarian Coordination in the Philippines to the Philippine Government for the victims of Tropical Storm “Sendong”
- The council convened on 22 December 2011 for the planning and re-implementation of “One-Stop-Shop” (OSS) in anticipation of more international assistance for quick release to victims of TS “Sendong”
- Chief of Operations together with UN-OCHA Philippines met on Dec 24, 2011 and discussed the Organization of Islamic Cooperation (OIC) Humanitarian Mission to the Philippines which intends to send a Needs Assessment Team to the ravaged areas in Northern Mindanao from Dec 25-29. Since the OIC does not form part of HCT Team and UN system, and with the passage of RA 10121, there is a need to review guidelines and policies on humanitarian assistance.
- A meeting of the national cluster leaders and NDRRMC Vice-Chairpersons for Response and Rehabilitation was conducted on 27 December 2011 and discussed the highlights of ongoing response and rehabilitation efforts of the government for TS Sendong.
- **Highlights of the Meeting** are as follows:

Relief Assistance – acceptance of donations from the international community through UN OCHA and the declaration of a State of National Calamity triggered an overwhelming support from the national and international community as seen in the huge amount of food and non-food items entering the cities of Iligan and Cagayan de Oro.

 - ✓ Immediate availability of lot/ area suitable for temporary shelter/ tents/ bunkhouses to relieve congestions in IDP centers (ECs) and in preparation of vacating the schools used as evacuation centers in view of the resumption of classes on 3 January 2012

IV. RECOMMENDATIONS

- **Massive implementation of leptospirosis prophylaxis using direct observe treatment scheme used in tuberculosis management**
- **Continuing surveillance, confirmation and validation of admitted suspect cases of leptospirosis**

Cagayan de Oro City

Short term program – NFI, WASH, and food at the evacuation centers; Availability of tents for temporary shelter of IDPs; Debris clean up is a priority; provision of temporary shelter before school classes resumes

Medium term – in depth assessment and analysis is required to look into early recovery and rehabilitation concerns

Long term – need to strengthen early warning procedures and preparedness on the issues of zoning and identification of possible relocation sites

Iligan City

WASH - water kits, hyposol and jerry cans

NFIs - cooking utensils, hygiene kits, sleeping kits, blankets, slippers, clothing, temporary shelter, food supply for one week; medicines, psychosocial support and livelihood support

Leptospirosis Management

- Intensified monitoring and massive implementation of leptospirosis prophylaxis using Direct Observed Treatment Scheme (DOTS) similar to Tuberculosis Management

Forward Operations Center (FOC)

The establishment of a Forward Emergency Center (FOC) in Iligan City has been discussed
