Afghanistan and Pakistan
HH the Crown Prince of Abu Dhabi, Sheikh Mohamed Bin Zayed al Nahyan, and the Bill and Melinda Gates Foundation, made a joint pledge of US$100 million to enable the purchase and delivery of vaccines to children in Afghanistan and Pakistan. One third of these funds (equivalent to US$16.7 million of the UAE's contribution) were earmarked specifically for polio vaccinations, to be conducted over a three year period.

2013 - 2018
6 years commitment

Afghanistan and Pakistan
A commitment of US$120 million was announced by HH the Crown Prince of Abu Dhabi Sheikh Mohamed bin Zayed al Nahyan at the Global Vaccine Summit held in Abu Dhabi in April 2013, towards the polio campaigns in Afghanistan and Pakistan.

The funds of 2013 and 2014 have been disbursed by the UAE Pakistan Assistance Program in collaboration with Bill and Melinda Gates Foundation, towards polio vaccination campaigns in the Khyber Pakhtunkhwa and Federally Administered Tribal Areas (FATA) of north-west Pakistan. The campaign aims to vaccinate over 3.6 million Pakistani children against polio.

- 163,555 staff composed of doctors, observers, vaccination teams, security personnel and administration and coordination teams.
- 98.7% vaccination success rate.
- 49% total area of Pakistan campaign covered.
- 86.6 million total vaccines.

2011 - 2013

GAVI
In the period of 2011 to 2013 the UAE has disbursed US $ 33 million for support of Global Alliance for Vaccines and Immunization (GAVI).

2011
Afghanistan and Pakistan
HH the Crown Prince of Abu Dhabi, Sheikh Mohamed Bin Zayed al Nahyan, and the Bill and Melinda Gates Foundation, made a joint pledge of US$100 million to enable the purchase and delivery of vaccines to children in Afghanistan and Pakistan. One third of these funds (equivalent to US$16.7 million of the UAE's contribution) were earmarked specifically for polio vaccinations, to be conducted over a three year period.
