VI. DISASTER PREPAREDNESS AND RESPONSE

A. NATIONAL / NDRRMC

1. NDRRMC Operations Center

02 December 2014

- Disseminated Memorandum No. 29, s. 2014 to Chairpersons, RDRRMCs VI, VII, VIII, IX, X, XI, XII, CARAGA, and ARMM directing the said directors to conduct Pre-Disaster Risk Assessment (PDRA) meeting immediately and activate their respective emergency operations centers.
- Disseminated Memorandum No. 30, s. 2014 to Chairpersons, RDRRMCs I, II, III, IV-A and IV-B directing the said chairpersons to prepare and make available their resources for possible augmentation and/or deployment to regions which may be affected by TY “RUBY” (Hagupit)

03 December 2014

- At around 11:00 AM, PDRA Core Group, led by Executive Director USEC. Pama convened at the NDRRMC Operations Center for a meeting in anticipation to TY “RUBY”
- Disseminated Memorandum No. 31, s.2014 to Chairpersons, RDRRMCs IV-A, IV-B, V, and NCR directing the said chairpersons to conduct PDRA meeting immediately with the DOST, DILG, DSWD, NEDA, and Provincial DRRM Councils, and activate their respective emergency operations centers
- At around 2:00PM, conducted press conference to provide information and warning to the general public
- NDRRMC Operations Center raised RED ALERT Status to continuously monitor and ensure dissemination of Severe Weather Bulletins, 24-hour Public Weather Forecasts, Gale Warning, and General Flood Advisories to all RDRRMCs/OCDRCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels
- Disseminated Memorandum No. 32, s. 2014 to Chairpersons, RDRRMCs IV-A, IV-B, V, VI, VII, VIII, IX, X, XI, XII, CARAGA and NCR directing the said Chairpersons to submit reports on:
  - After-activity report on the conduct of PDRA Meeting
  - Inventory of NFA rice and Non-food Items

04 December 2014

- At around 2:00 PM, conducted a full council meeting with President Benigno Simeon Aquino III to present the NDRRMC Member Agencies’ preparedness actions/measures being undertaken re TY RUBY
- At around 4:00 PM, NDRRMC Response Cluster conducted a meeting with the Private Sectors to identify areas of cooperation such as database to aid in information management
- Disseminated Memorandum No. 33, s.2014 to Chairperson, RDRRMC III directing the said chairperson to conduct PDRA meeting immediately with the DOST, DILG, DSWD, NEDA, and Provincial DRRM Councils, and activate their respective emergency operations centers

05 December 2014

- At around 9:00 AM, NDRRMC Core Group meeting was held at the NDRRMC Operations Center. A briefing was conducted and was
attended by selected Metro Manila Mayors (Quezon City, Marikina, Navotas and Pasay)
- An NDRRMC Response Cluster meeting was conducted at around 3:00 PM
- Press briefing was conducted around 6:00 PM led by Sec. Corazon Juliano-Soliman and USec Alexander Pama at NDRRMC Operations Center

2. Office of Civil Defense (OCD)
- On 04 December 2014, issued Memorandum No.864, s.2014 to instruct OCDRCs I, II, III, IX, XI, XII, ARMM, and CAR to alert their respective rapid deployment teams (RDT) for possible deployment as augmentation to areas which may be affected by TY RUBY

3. Philippine Institute of Volcanology and Seismology (PHIVOLCS)
- On 04 December 2014, issued Lahar Advisory for Bulusan and Mayon Volcanoes in relation to TY RUBY

4. Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)
- Continuously monitors the situation and disseminate weather bulletins, gale warnings, general flood advisories, and 24-hour public weather forecast
- Conducted a press conference on 02 December 2014 to provide briefing and updates on TY “Hagupit”

5. Department of Social Welfare and Development (DSWD)
- As of 04 December 2014, DSWD Field Offices have a standby funds amounting to ₱7,995,418.85, family food packs of 205,998 worth ₱67,136,743.00, food items amounting to ₱102,696,924.00, and non-food items amounting to ₱102,450,128.00 with details as follows:

- On-going procurement process for the additional 1,433 sacks of rice

DSWD VII
- Convened MSWD Officers re: Camp Management
- Evaluated and assessed the existing evacuation centers
- Sent advisories to Provincial, Cities, Municipalities links on SOPs
- Continuous monitoring
- Prepositioned family packs
  - Cebu – 28,000 family packs
  - Bohol – 11,000 family packs
  - Negros Oriental – 2,000 family packs
  - Siargao – distributed to LDRRMCs

DSWD VIII
- Made available the following commodities in Tacloban City warehouse:
  - 41,770 packs of 6 Kg. rice pack
  - 27,783 sacks of 25 Kg. rice
  - 14,865 sacks of 50 Kg. rice
  - 3,000 boxes of beef loaf @ 100 tins/box
  - 1,500 boxes corned beef @ 100 tins per box
- Staff manning the warehouse are on alert and ready to dispatch the commodities when needed and upon order of the management
- Prepositioned 1 winged van, 2 Botswana trucks that can be dispatched anytime
- Alerted and advised all SWD teams and the project staff in all the provinces to closely coordinate with the P/C/MDRRMCs in their respective areas of assignment
• Stockpiled a total of 30,000 family packs and 1,506 pieces of mosquito nets and blankets
• Ensured the availability of ten (10) trucks
• Repacked a total 14,632 family packs/relief goods
• Ensured the provision of trainings on camp management to LGUs
• Organized a Quick Response Team ready for deployment to affected areas

**DSWD IX**
• Prepositioned 1,000 family food packs in Dipolog City; 800 family food packs in Pagadian City
• Activated Blue Alert
• Advise local SWDO to preposition food and non-food items

**DSWD X**
• QRT and DSWD Field Office X in Cagayan de Oro City are on standby for possible deployment
• Prepositioned 30,000 family packs and PhP1,000,000.00 as standby fund at the field office

**DSWD CARAGA**
• Activated the Regional Quick Response Team (RQRT) for reporting, monitoring and disaster operations
• Pre-positioned 25,472 Family Food Packs amounting to PhP10,655,447.04 to the five (5) provinces of the region
• The LGU and PSWDO of Agusan del Sur have already pre-positioned 1,500 Family Packs. All project staff are alerted and are advised to join skeletal force to monitor and submit updated real time reports
• Stockpiled relief family food packs are already prepared for Municipalities of:

**DSWD CAR**
• Prepositioned family food packs across the region and has a standby fund of PhP500,000.00 available at the regional field office
• Have available 3,882 family food packs in the province and 1,512 family food packs in the field office. Repacking of additional food packs is on-going
6. Department of the Interior and Local Government (DILG)

DILG I
- Redundant dissemination of weather updates and advisories to LGUs
- Municipal Local Government Operation Officers (MLGOOs) are advised to go on 24 Hour duty to monitor AOR and render reports to DILG Regional Office if needed

DILG II
- Continuous monitoring and dissemination of advisories and close coordination with RDRRMC Member Agencies

DILG IV-B
- Alerted all DILG field officers

DILG V
- Disseminated SILG Memorandum dated 03 December 2014 re preparedness and specific actions
- Directed LCES to stay in their respective stations and cancel travels

DILG VI
- Advised the LGUs to take preparedness measures in consonance with the checklist issued by DILG
- Confirmed and monitored pre-emptive evacuation of Brgy. Olatayan, Roxas City

DILG VIII
- Constantly monitors the implementation of LGU disaster preparedness journal
- Actively utilizes the social media to reach out to a wider audience and posted the warning signals, disaster preparedness protocols, and other critical information in the DILG VIII facebook page
- Referred feedbacks from netizens to concerned local authorities and agencies for action
- Presents PIA’s text blasts to clienteles to ensure that warnings and critical information would reach more people

DILG IX
- Advise activation of 24/7 operation center of identified vulnerable areas
- Advise pre-emptive evacuation of high risk communities and activation of evacuation centers

DILG ARMM
- Will release memorandum to place LGUs within ARMM on standby and directing them to continuously monitor the situations within their respective AORs

DILG CARAGA
- Implemented “OPLAN LISTO” to all Local Chief Executives/Local DRRM Council Chairpersons to provide awareness and list of things to do before, during and after disaster

DILG CAR
- Disseminated advisories to all LCES through DILG Provincial Directors to activate and monitor the situation
7. Department of Science and Technology (DOST)

DOST IV-B
- Prepositioned two (2) satellite phones in the different provinces of MIMAROPA to augment communication system for disaster operations
- Positioned three (3) HF radios in the Municipalities of Romblon, Odiongan, and Cajidiocan, all of Romblon Province

8. Department of Health (DOH)
- Raised Code White Alert Status
- Continuously monitors the situation and disseminate weather updates to all Regional Health Directors
- Conducted inventory of available cadaver bags, assorted drugs and medicines:

- Regional Offices prepositioned drugs and medicines; response teams (medical trauma teams) for each province are ready for deployment, and coordinated with Provincial DOH Offices for updates

DOH VII, IX, XI, and CARAGA
- Operations Center is activated for 8 hours

DOH I
- On "Code Blue Alert" and on 24-Hour Duty with two (2) teams on standby
- Stockpiling of assorted medicines and other supplies (Cadaver bags-320, Hygiene Kit-395, Folding bed-40, Tent (big)-80, Tent (small)-10) available at the regional office
- Direct coordination and linkages established with the health clusters of the four PDRRMCs and with 3 DOH - retained hospitals (ITRMC-San Fernando City, La Union, R1MC-Dagupan City, Pangasinan, MMH and MC-Batac City, Ilocos Norte

DOH II
- Continuous coordination with Provincial DOH Offices (PDOHO) for updates and monitoring of any untoward health events and ensure availability of prepositioned emergency drugs amounting to P100,000.00 per province
- Mobile water purification unit is on standby for possible deployment

DOH IV-B
- Raised Code White Alert Status for continuous coordination with all PDOH, HEMS point persons, RDRRMC member agencies and LGUs
• Accounted and prepositioned medical supplies and medicines to Provincial DOH Offices

DOH V
• Raised Code Alert Status to White

DOH VI
• Placed on Code Blue Alert and activated Regional Office Operations Center
• Prepositioned supplies and medicine to Provincial and City Health Offices
• Delivered supplies and medicines to Negros Occidental and Guimaras
• Allotted funds to PHOs for emergency purchase of medicines and supplies

DOH X
• Operations Center is activated for 24 hours

DOH VII
• Prepositioned medical supplies and medicines for augmentation
• Alerted medical teams and responders for possible deployment
• Informed Provincial Health Offices to preposition drugs and medicines

DOH VIII
• Raised Code White Alert Status
• Prepositioned logistics resources and placed personnel (doctors, nurses, administrative staff, drivers, and support staff) on stand-by
• Attended the RDRRMC meetings
• Coordinated with RDRRMC member agencies and International NGOs
• In constant coordination with DOH hospitals and field counterparts (PHTLs, RN HEALS, DTTB, and PHOs/CHOs)
• Placed Rapid Health Assessment Team on alert
• Activated Field Health Workers in BHUs, RHUs, and DOH hospitals (EVRMC and SCRHI)
• Ensured the availability of health facilities, human resource/personnel (OpCen Teams and Response Teams), and a total of ₱5,035,812.94 worth of drugs/medicines and other supplies
• A total of PhP1,706,172.85 drugs/medicines and other logistics supplies (CAMPOLAS, first aid kits, jerry cans, cadaver bags, and aquatabs) were prepositioned to Provincial DOH Offices and Provincial Health Offices

PROVINCES:
- Leyte - PhP249,894.35
- Samar - PhP116,716.70
- Northern Samar - PhP480,455.70
- Eastern Samar - PhP410,682.09
- Biliran - PhP122,352.00

CITIES:
- Tacloban - PhP255,560.90
- Calbayog - PhP13,634.71
- Catbalogan - PhP56,876.40

• Mobilized personnel (Duty Emergency Officers, OpCen and Response Teams, Rapid Health Assessment Teams, Water and
Sanitation Health Team, Nutrition Team, Mental Health and Psychosocial Support Team, and Medical/Trauma Team)

- In constant coordination with Government/LGU Hospitals, Private Hospitals, and International Health Development Partners (WHO, UNFPA, and UNICEF)

DOH NCR
- On Alert Status and prepositioned medicines (Doxycyclin and Anti-Tetanus Vaccines)

DOH CAR
- Medical supplies are ready for emergency use and augmentation at the provincial health offices

9. Department of Public Works and Highways (DPWH)

DPWH I
- Monitoring the status of road condition in the AOR with District and maintenance crew on stand-by alert
- Regional resources in the provinces of Ilocos Norte, Ilocos Sur, La Union, and Pangasinan are on standby for possible emergency response operation

DPWH IV-B
- Activated DRRM Teams to monitor road section in landslide and food prone areas
- Continuous monitoring the situational status of national roads and bridges in their AOR

DPWH V
- Issued memorandum to all district engineers for the activation of District DRRM Teams

DPWH VI
- Activated Regional Disaster Risk Reduction Management Team
- Provided RDRRMC OpCen a list of available Assets, Equipment, and Warehouse for utilization of response cluster during and after disaster operation

DPWH VIII
- Ensured the provision of engineering equipment (24 dump trucks, 6 hydraulic excavators, 8 pay loaders, 7 road graders, 3 bulldozers, 5 boom trucks, and 117 service vehicles) for clearing operation
- Activated QRTs in different engineering districts

DPWH X
- DPWH X Dir ordered all the District Engineers in the 12 District Engineering Offices to ready all their equipment, manpower and other logistical support

10. Department of Agriculture (DA)

- On red alert status
- Coordinated with regional offices to prepare for TY "RUBY"
- Advised farmers to harvest harvestable crops
- Advised the fisherfolks to refrain from fishing and to ensure the safe keeping of their bancas and other fishing equipment
- Advised to prepare and secure seed bufferstocks
- Advised to fisherfolks and fishing vessel operators/owners not to venture into fishing activities and seek advice/clearance from MARINA and other proper authorities before doing so or as needed
- Advised to relocate livestock to safer places

**DA IV-B**
- Prepositioned 8,000 bags of certified seeds amounting to P16,548.00 in DA satellite office (mostly in Occidental Mindoro)
- Clearing operations and land preparations will be conducted in coordination with National Irrigation Administration once TY Ruby affects agriculture area
- Prepositioned buffer palay seeds, hybrid corn seeds, vegetable seeds and fruit tree planting materials/seedlings
- Have buffer stock of planting material to replace damage crops in DA provincial offices

**DA V**
- Pooling of farm machineries and other equipment for deployment
- Provided early warning advisories to farmers
- Advised division and center chiefs to secure personnel and properties including livestock and to ensure availability of bufferstocks

**DA VII**
- Accounted equipment
- Ensured the preparation of farmers

**DA VIII**
- Prepositioned 3,800 bags of corn seeds in various municipalities
- Ordered 24/7 manning of stations for security
- Activated the DA-RFO VIII Command Center through the issuance of a Memorandum with assigned personnel and staff to assist and man the Command Center before, during, and after the typhoon
- Secured personnel, documents, and properties including facilities and stations

- Prepared and secured seed buffer stocks for immediate availability and strategic positioning
- Informed all Municipal Agriculturists and farmers to harvest their crops and ensure safety of their livestocks to avoid/lessen the damages that may incur during the onslaught of TY "RUBY"

11. Department of Education (DepEd)
- Directed its field offices & schools to take precautionary measures in anticipation of TY Ruby
- Tasked key officials from regions and school divisions to closely monitor the developments and advisories from PAGASA on Typhoon Ruby and advise LGUs on cancellation of classes accordingly

**DepEd IV-B**
- Distributed forms to different schools in MIMAROPA to be filled out by school officials for reporting purposes on damages to school an
materials, injuries to personnel and school children to quickly address their needs and resumption of classes in the affected areas.

DepEd VI
- Ensure that all schools are available to serve as evacuation centers
- To identify schools for evacuation, but those schools in coastal areas should not be used as evacuation centers in case the scenario of 2-3 meters of storm surge
- Advised suspension of classes, at all levels, to the Mayors of the Municipalities of Balasan, Estancia, and Carles

DepEd VIII
- Identified disaster-resilient schools intended as evacuation centers

12. Armed Forces of the Philippines (AFP)
- Made available units (i.e. JTGs, JTUs, TFs, TGs, DRUs, etc.) to be deployed to affected areas and to assist RDRRCMs and other agencies in the AOR in the delivery of basic services
- Accounted twenty seven (27) Phil Navy floating assets, twelve (12) air assets and several ground mobility assets (to include the different JTFs assets) that may be dispatch in HADR Operations
- Immediately alerted all HADRU (JTFs) in WMC AOR in preparation for possible landfall of typhoon
- Activated Battle Staff “Bravo” and HADR-CAT on 01 December 2014, 9:00 AM
- Was placed on Red Alert effective 04 December 2014
- alerted unified commands, Major Service HADR Units, SRR units, Water Purifier System (WPS) Operator Teams, Major Service Communication-Van Teams, K-9 Tracking Teams for possible deployment
- Placed on-standby fifteen (15) M35 Trucks each at respective HQs for possible transport augmentation to affected unified commands
- Alerted one (1) platoon /flight each headquarter for deployment as manpower support to DSWD
- JTF-NCR to assume control of HADR Units and other capabilities
- OPCOM/OPCON units were directed to alert their DRO Task Units
- Identified strategic areas/municipalities for prepositioning Quick Response DRO Teams
- Established liaising with DRRMCs for risk assessment
- Inventory of DRO assets
- Identified high risk areas for focus monitoring

8ID-DRTF
- Provided manpower, equipment, and vehicles to support disaster response and relief operation
- Ensured the provision of transportation vehicles for the conduct of evacuation
- Attended the PDRRMC meeting on 04 December 2014 in Eastern Samar, Samar, and Northern Samar
- Attended the CDRRMC meeting in Ormoc City on 04 December 2014
- Attended the RDRRMC meeting held at PRO VIII, Palo, Leyte on 04 December 2014
- A total of 562 personnel, 32 vehicles, and 136 other assets are already deployed in different locations in the region, while a total of
468 personnel, 13 vehicles, and 173 other assets are deployable in the region

**AFP CENTCOM**
- Placed on Red Alert Status
- Organized disaster response units (SAR groups) and prepositioned equipment
- Prepositioned air and naval assets and ready to be mobilized

**AFP WESCOM**
- Has available logistical support in the transport of relief goods to affected areas once needed

**901st BDE, PA**
- Prepositioned 5 DRU Teams, 71 personnel, and 13 trucks for possible deployment

**Philippine Army 6**
- Provided RDRRMC OpCen a list of available mobility assets and equipments region wide

**301st Brigade AFP**
- Alerted 9 units of DRRUs in Panay composed of: 5 units in Dingle, 1 unit in Miag-ao, 1 unit in Tapaz, 1 unit in Panitan, and 1 unit in Banga
- Provided list of available vehicles and its location to be used in times of response

**AFP – Naval Forces Northern Luzon (NFNL)**
- On standby Resources:
  1. 1 Islander Aircraft (Fixed Wing) Can be utilized for aerial assessment
  2. 9 M35 Trucks (5 in La Union and 4 in Pangasinan)
  3. 2 Trailer Truck
  4. 1 Ambulance
  5. Navy alert DRTUs
  6. 3 Navy Patrol Boats
  7. 1 Navy Patrol Boats
  8. 4 Rubber Boats
  9. DRTG Teams on Standby

**JTF NCR**
- Placed DRTUs on stand-by and prepositioned rescue equipment

**PHILIPPINE NAVY**
- Deployed three (3) Navy Vessels located at Muelle Loney, Iloilo City

**501st, 503rd, 502nd BDE**
- To establish communication link at respective Provincial Disaster Operation Centers synchronized with the CDRRMc OpCen
- Rescue teams are on standby for augmentation and deployment
- Search and Rescue and emergency telecommunication equipment are on standby
- Assist in the communication of warnings and advisories through brigades and battalions
13. Department of Trade and Industry (DTI)

DTI VII
- Made sure there is enough supply of basic commodities
- Advised the public to avoid panic buying

14. Department of Environment and Natural Resources (DENR)

DENR-MGB VII
- Advised LGUs to revisit and make use of geohazard maps

15. Philippine Coast Guard (PCG)

Coast Guard District Northwestern Luzon
- Activated all district operation center in AOR
- Alerted all WASAR Teams in AOR equipped with rubber boats for possible response mobilization
- Coordinated with local leaders on the prevention of fisher folks and other small sea vessels from venturing out to sea given the threat of big waves

Coast Guard District Southern Tagalog
- Alerted all SAR units, deployable response groups and floating assets for possible deployment
- Coordinated with fishing industry and local fishermen
- Advised shipping lines to direct ships to take shelter

Coast Guard District Palawan
- Disseminated weather bulletin to their respective stations and substations

Coast Guard District Western Visayas
- Prepositioned 1 SAR vessel
- Conducted regular preparedness measures

Coast Guard District Eastern Visayas
- Issued advisories regarding suspension/cancellation of sea travels to coast guard stations

PCG NCR
- On Alert Status and suspended operations of sea vessels as precautionary measures

16. National Telecommunications Commission (NTC)

NTC VI
- Provided two (2) radio frequency to augment the regular forecast broadcast of weather bulletins

NTC CAR
- Monitoring of cellular sites for possible loss and restoration of signal
- Monitoring the usage of emergency telecommunication waves 145.0 and 145.4 Mhz

17. Philippine National Police (PNP)

PRO I
- Inventory of resources and equipment that may be used in the relief, rescue and rehabilitation operations

**PRO II**
- Rescue and response assets are on standby and ready for deployment

**PRO IV-A**
- Coordinated with local DRRMCs re conduct of pre-emptive evacuations when needs arise, search and rescue operations, and other related preparedness measures

**PRO IV-B**
- Advised all Police Provincial Offices to assist Local DRRMCs in the conduct of preparedness activities
- Directed the Provincial/City Directors to adopt “brother and sister municipality” concept to assist affected areas for quick and coordinated response operations

**PRO V**
- Placed 1 SRR Team, 15 personnel, 1 mobile vehicle and 1 rubber boat on standby for possible deployment
- Directed all Provincial Directors to coordinate with respective provinces for assistance in pre-emptive evacuation, repacking of goods and to provide assistance if necessary

**PRO VI**
- Convened for an emergency meeting on 4 December 2014 and declared a Full Alert Status region wide
- PNP SAR and Response capabilities were identified at all levels
- PNP in close coordination with respective local DRRMCs
- PNP Communications & Electronics Office to set-up radio communications at the RDRRMC OpCen

**PRO VII**
- Accounted and alerted all SRR personnel, power generator sets and batteries and ready for deployment
- Directed all units to activate their respective Disaster Incident Management Task Groups (DIMTGs)
- Directed all units to maintain close coordination with LGUs and church leaders
- Assisted in the conduct of pre-emptive evacuation

**PRO VIII**
- Organized three (3) groups to provide security to vital installations, patrol and search and rescue when needed
- Declared a Regionwide Full Alert Status
- Prepositioned a total of 1,148 personnel for deployment and identified a total of 547 evacuation centers in the region
- Conducted inventory of equipment and identified 294 serviceable vehicles, 37 generator sets, 274 communication equipment, and 141 SAR equipment
• Deployed a total of 111 Regional Public Safety Batallion (RPSB) personnel as augmentation to Eastern Samar

PRO CARAGA
• Directed all units to ensure that SAR units with equipment are ready for possible deployment

NCRPO
• On Alert Status
• Prepositioned response team and equipment

18. Bureau of Fire Protection (BFP)

BFP I
• Fire Trucks and Emergency Response Teams in AOR are on alert status and stand-by for possible mobilization
• Three (3) rubber boats with OBM in the Municipalities of Rosales, Lingayen, and Urbanaeta are on stand-by for possible augmentation

BFP IV-B
• Advised all BFP units to be on standby alert

BFP V
• Placed on heightened alert

19. Philippine Red Cross (PRC)

PRC IV-B
• Alerted all chapter staff and volunteers for possible mobilization

PRC VI
• Iloilo Chapter provided one (1) unit Isuzu 25 Kva- 25 watts, with voltage output of 220 upto 440 volts, current of 113 amperes, frequency of 50-60 hertz, piston displacement of 2.8 liters, diesel and has a weight of 880 kilograms Generator to the RDRRMC VI for use in case of power outage

PRC VIII
• Set up communications equipment in major services in Leyte and Samar
• Alerted 30 volunteers, 3 vehicles, and 2 utility vehicles for SAR

20. National Grid Corporation of the Philippines (NGCP)

• Implemented the necessary preparations and precautions to minimize the impact of Typhoon Ruby on transmission operations and facilities
• Ensured the reliability of communications equipment, availability of hardware materials, standby generators, vehicles, SCADA spares and supplies necessary for the repair of damage to facilities
• Positioned line crews and helicopters in strategic areas, to facilitate immediate restoration work. Double shifting of Regional Control Center (RCC), Area Control Center (ACC), and substation personnel
• Deferred all scheduled maintenance activities on facilities within the expected path of the typhoon
• Coordinates with power plants, substations, and customers to balance system load and voltage and with LGUs, AFP, and PNP to access and clear right-of-way areas
• NGCP’s Overall Disaster Command Center monitors all power restoration activities, reports, and updates from the Regional Command
Centers in North Luzon, South Luzon, Visayas, and Mindanao, whichever is directly affected by the weather disturbance

21. National Food Authority (NFA)

- NFA rice stocks are available and secured in various regional warehouses. Regional/field offices have coordinated with LGUs and PNP for security services
- A total of 4,735,325 bags of rice were prepositioned in NFA regional warehouses (Regions IV, V, VI, VII, VIII, X, and CARAGA)

**NFA RO2**
- Has available 225,991 bags of rice in the Provinces of Isabela, Cagayan, Nueva Vizcaya, Quirino, Northwestern Cagayan-Apayao, Kalinga, Ifugao, and Mt. Province

**NFA VII**
- Set-up strategic location of warehouses in Sta. Fe, Tudela, Badian, Bogo City, North Reclamation, and Mambaling

**NFA CAR**
- Prepositioned 148,274 bags of rice in the entire region for disaster operations

22. Philippine Information Authority (PIA)

**PIA I**
- Assists the RDRRMCC1 OPCEN in sending out weather bulletins to the public through the utilization of PIA news Text Blasting

**PIA VIII**
- Disseminates weather updates and other information through SMS/text blast for press release

23. Civil Aviation Authority of the Philippines (CAAP)

- Reported cancellation of Philippine Airlines (PAL) flight to and from Tacloban City on 04 December 2014

24. Metro Manila Development Authority (MMDA)

- Composite teams are on stand-by and ready for deployment if possible in the twenty three (23) flood prone areas in NCR

25. REGIONAL DRRM Council

- Continuously disseminates weather updates thru SMART INFOBOARD, facsimile, email to MDRRMOs, disaster managers and other stakeholders
- RDRRMCs V, VI, VII, VIII, IX, X, XI, XII, CARAGA and ARMM have conducted PDRA Meeting with their respective regional member agencies and local DRRMCs in preparation for the entry of TY Ruby in PAR

26. RDRRMCC I

- Requested all PDRRMCs and RDRRMCC member – agencies to raise their alert status for possible rescue, relief and other response operations relative to the present weather disturbance
- Issued Memorandum re possible “twinning” of Regional Response Resources
2. RDRRMC II

- Close coordination with RDRRMC Member Agencies and P/MDRRMCs regarding preparedness activities on TY “RUBY”

PDRRMC Cagayan
- Responders and rescue equipment are on standby

PDRRMC Isabela
- C/MDRRMOs, rescue teams and equipment are on standby
- Distributed 1,110 family food packs to fisherfolks in coastal municipalities of Isabela (Dinapigue, Palanan, Maconacon and Divilacan)

PDRRMC Quirino
- Responders and rescue assets are on standby and prepositioned family food packs

PDRRMC Nueva Vizcaya
- Prepositioned heavy equipment at Sta. Fe, Nueva Vizcaya
- Rescue units (PNP, BFP, PA, Universities and Colleges) are on standby for possible deployment

PDRRMC Batanes
- Convened PDRRMC meeting at 2:00 PM, 5 December 2014 in preparation for TY “RUBY”

3. RDRRMC IV-B

- Issued a Memorandum to P/C/MDRRMOs re Pre-emptive evacuation
- Coordinated with MGB re areas (sitiios/purok) likely to be affected by flooding and landslide by TY Ruby for the conduct of pre-emptive evacuation
- Coordinated with PCG to strictly implement the “No Sail Policy” to prevent casualty during the passage of the typhoon
- Operations Center on Alert Status
- Several MDRRMCs in the provinces of Oriental Mindoro, Occidental Mindoro, Palawan, Romblon and Marinduque have convened and disseminated weather advisories to barangays in their AORs in preparation for TY Ruby

PDRRMC Oriental Mindoro
- MDRRMC San Teodoro Advised all brgy officials to inform the residents in high risk areas to be prepared for possible evacuation
- MDRRMCs Naujan and Mansalay convened to discuss preparations for TY Ruby
- PDRRMC Oriental Mindoro convened PDRA Meeting in preparation for TY “RUBY”

PDRRMC Romblon
- MDRRMC San Fernando a Looc convened to discuss preparations for TY "RUBY"
- MDRRMC Corcuera alerted all DRRM Council members and volunteers
- MDRRMC Alcantara alerted all BDRRMC councils

PDRRMC Occidental Mindoro
- MDRRMC Sta. Cruz, Looc and Calintaan convened to discuss preparations for TY Ruby
- MDRRMC Looc prepositioned available resources
- MDRRMC Sablayan issued a resolution on December 4, 2014 setting into motion the LGU Sablayan Disaster Preparedness Plan

4. RDRRMC V
- On Red Alert Status
- Issued memorandum to RDRRMC Response Agencies and Local DRRMCs to put their respective DRUs on standby
- On 4 December 2014, conducted RDRRMC Emergency Meeting re TY "RUBY"
- On 3 December 2014, Issued Memorandum to RDRRMC Response Agencies and LDRRMCs directing them to alert their respective DRUs
- On 2 December 2014, conducted PDRA

PDRRMCs Albay, Sorsogon, Camarines Norte, Camarines Sur, Masbate and Catanduanes
- Continuously monitoring and disseminating weather advisories in their AOR

PDRRMC Albay
- Released PDRRMC Advisory #1 for LCEs/LDRRMCs/LDRRMOs to closely monitor, prepare and undertake appropriate actions, and for residents living in vulnerable areas to monitor and heed advisories and orders from LDRRMOs/responders
- Emergency meeting conducted with LCEs on 4 December 2014

PDRRMC Sorsogon
- Emergency full council meeting conducted on 4 December 2014 to discuss preparations
• Revisit contingency plans for review and evaluation
• Directed local response teams and PDRRMO SAR group on alert for possible deployment

PDRRMC Masbate
• Emergency meeting conducted on 3 December 2014 to discuss preparations
• Identified school buildings to be used for evacuation
• PHO alerted chiefs of hospitals for possible actions
• PNP alerted all MPO Stations
• PEO preposition equipment for clearing operations
• MASELCO revisited contingency plans on power distribution

PDRRMC Catanduanes
• Emergency meeting conducted on 3 December 2014 to discuss preparations
• Activated provincial responder teams

CDRRMC Naga City
• Emergency meeting conducted on 4 December 2014 to discuss preparations

5. RDRRMC VI

• Operations Center on 24/7 basis

PDRRMCs Antique and Negros Occidental
• Conducted PDRA Meeting with LGUs in their AOR
• LDRRMCs are on alert and continuously monitoring the situation

PDRRMCs Aklan, Capiz and Iloilo
• Conducted PDRRMC Meeting with LGUs

PDRRMC Guimaras and CDRRMC Bacolod
• Disseminated weather bulletins to Barangay DRRMCs and continuously monitoring the situation

PDRRMCs Antique
• Conducted inventory and inspection of response equipments with the following functional equipment:
  - 6 units of chainsaw
  - 3 sets of generators
  - 3 river rafts
  - Rubber boat with OBM
  - Various rescue equipment
• Reviewed Typhoon Contingency Plan and Evacuation Plan
• Conducted Scenario Building and Coordination with the PDRRM TWG and IMTs

PDRRMC Guimaras
• Alerted MDRRMCs and all barangays in the province especially those in coastal areas
• Prepositioned Stockpile/ Food Stuff in coordination with the PSWDO, NFA and local stores
• Placed Response teams and vehicles on standby at the PDRRMC Operation Center
• Disaster Rescue Equipment prepared and readied
PDRRMC Iloilo
- Pre-emptive evacuation was conducted for the residents of Baliguian Island, Concepcion, Iloilo comprising of 190 families/575 persons at NIPSC Concepcion Evacuation Camp

- Strengthened evacuation awareness and preparedness measures

MDRRMC Alcoy
- Checked and assessed evacuation centers in the barangays
- Inspected communication centers and communication devices in the barangays
  - Equipment, vehicles and personnel are on standby

MDRRMC Dumanjug
- Activated command center

CDRRMC Bogo City
- Activated ICS
- To set up ICS facilities and OSS

MDRRMC Catmon
- Convened MDRRM
- Prepared food for evacuation centers and prepositioned heavy equipment
- To implement force evacuation in coastal barangays and near riverbank areas

MDRRMC Consolacion
- Conducted “recorida” since 3 December 2014
- Ready for forced evacuation in areas prone to flooding
- Standby SRR and rescue teams ready for deployment

MDRRMC Ginatilan
- Stockpiled 180 sacks of rice with noodles and sardines
- Readied evacuation centers for pre-emptive evacuation
- Prepositioned heavy equipment
- Activated volunteers

MDRRMC Sibonga
- Alerted SAR groups

MDRRMC Medellin
- All available equipment available are on standby
- Closely monitoring coastal barangays
- Prepositioned food and non-food items
- Identified Gabaldon school building as their evacuation areas

MDRRMC Pilar
- Stockpiled family packs
- Distributed food packs to some coastal barangays
• To implement pre-emptive evacuation of coastal barangays on 5 December 2014

MDRRMC Poro
• Activated command center
• Activated ICS
• Conducted “recorida” to coastal and mountain barangays with PNP, PCG

PDRRMC Siquijor
• Conducted meeting with PDRRMC members

MDRRMCs Maria and San Juan
• Conducted emergency meeting with MDRRMC/BDRRMC
• Activated municipal rescue volunteers group
• Prepositioned goods

PDRRMC Bohol and MDRRMC Jagna
• Convened PDRRMC

MDRRMC Balilihan
• Followed guidelines of DILG on the preparedness activities
• Dispatched supplies to assigned evacuation centers
• Trimmed trees along roads to minimize debris

REACT Phils
• Established back-up radio communication using High Frequency (HF) radios

7. RDRRMC VIII
• OCD VIII is on Red Alert Status as of 3 December 2014
• RDRRMC VIII Operations Center continues to maintain a 24/7 monitoring operation, disseminated warning bulletins, and coordinated with Local DRRMCs and RDRRMC member-agencies thru SMS, facsimile, and email for the provision of updates on their respective AORs
• P/C/MDRRMCs continuously monitors the weather condition and disseminates the information to LDRRMCs
• RDRRMC VIII conducted PDRA meeting on 03 December 2014 re preparation for TY RUBY (HAGUPIT); convened a Full Council Meeting on 4 December 2014, 10:00 AM and discussed RDRRMC Member Agencies preparedness plans
• ACCESS 5 set-up communication system at the OCD Command Center and deployed personnel to different areas in the region
• Business establishments in Tacloban City closed their operations on 05 December 2014

Tacloban City
• Activated evacuation center/facilities and conducted preemptive evacuation

PDRRMC Biliran
• Suspended classes in all levels throughout the province
• MDRRMC Naval stockpiled food and fuel, and placed response teams on standby for possible deployment
PDRRMC Leyte
- MDRRMC Matalom conducted meeting and advised activation of BDRRMC
- MDRRMC Tunga convened to identify evacuation centers
- The Republic of Korea Armed Forces based in Barangay Candahug, Palo, Leyte were temporarily evacuated to Leyte Academic Center in Palo, Leyte

- Suspended classes in all levels throughout the province
- Coordinated with and advised LDRRMMCs to convene and discuss their respective preparedness measures
- CDRRMC Borongan City and MDRRMC Mercedes conducted emergency meeting for the coastal barangays and discussed their preparedness measures

PDRRMC Samar
- MDRRMCs Motong, Pagsanghan, Basey, and Calbiga conducted their respective emergency meetings
- MDRRMC Basey implemented preemptive evacuation
- MDRRMC Calbiga stockpiled 1,500 family packs and prepositioned equipment and vehicles

ACCESS 5
- Set-up communication system at OCD VIII command center

8. RDRAHM IX
- Activated Blue Alert Status of Operation Center until 8 December 2014

9. RDRAHM X
- Placed on Blue Alert Status
- Convened PDRA on 3 December 2014

PDRAHM Camiguin, Lanao del Norte, Misamis Occidental, Misamis Oriental, and CDRAHM Iligan and Cagayan de Oro
- Placed on Alert Status
- Disseminated warning advisories and placed rescue teams on standby for possible deployment

10. RDRAHM XI
- Conducted a meeting with RDRAHM member-agencies, responders and media groups on 3 December 2014

11. RDRAHM XII
- Identified areas that are subject for pre-emptive evacuation if need arises
- Prepositioned food and water
- SAR Teams and equipment were prepared for deployment
12. RDRRMC CARAGA

- On Red Alert Status
- Advised Local DRRMCs and member-agencies to: preposition all response assets and resources; conduct pre-emptive evacuation especially in high-risk areas; and, activate operations centers on a 24/7 basis
- All Local DRRM Councils activated the Incident Command System (ICS) for effective responses, prepositioned all response assets and conducted pre-emptive evacuation centers especially in high risk areas prone to flooding, landslide and storm surges

PDRRMCs: Agusan del Norte, Agusan del Sur, Dinagat Islands, Surigao del Norte and Surigao del Sur and City/Municipal DRRM Councils
- Held an emergency meeting on 3 December 2014 to discuss preparedness measures

PDRRMC Agusan del Norte
- Implemented Code Blue Alert
- Kindergarten classes in the whole province have been suspended, while elementary and secondary classes both public and private, will be suspended on 5 December 2014

13. RDRRMC ARMM

- On Blue Alert Status
- Provincial and municipal emergency teams are on standby status

14. RDRRMC NCR

- Placed on heightened alert status starting 03 December 2014: LGUs Las Piñas, Manila, Makati, Malabon, Mandaluyong, Marikina, Muntinlupa, Pasay City, San Juan City, Pasig City, Navotas City, Parañaque, Quezon City, Taguig, and Valenzuela
- Placed on Alert Status
- Rescue Teams are on stand-by and response equipment prepositioned

15. RDRRMC CAR

- The Cordillera RDRRMC conducted Pre-Disaster Risk Assessment (PDRA) at OCD-NCR Operations Center on 5 December 2014 to discuss preparedness measures for possible impacts of TY “RUBY”
- Placed the Operations Center on Red Alert status
- Collated on database of available and propositioned resources of each member agencies
- Established back up communication system
