The Humanitarian Response Plan has been developed based on a countrywide inter-sector analysis of needs in Sudan. The humanitarian community will target 10.9 million people, focusing on those living in 68 localities with the highest convergence of needs identified by the Humanitarian Needs Overview.

PRIORITIZATION AND PEOPLE TARGETED (per locality)

The map shows the number of people targeted across different areas in Sudan. The highlighted areas indicate the priority focus areas.

SECTOR RESPONSE

The table shows the number of people in need, targeted, partners, and projects across different sectors.

FUNDING REQUIREMENTS (per sector)

The table lists the funding requirements for different sectors, with each sector having a specific amount required.

PEOPLE IN NEED/TARGETED (million)

The bar chart shows the number of people in need and targeted, divided into different categories such as boys, girls, men, and women.
STRATEGIC OBJECTIVES

1. Provide timely multi-sectoral life-saving assistance to crisis affected people to reduce mortality and morbidity

2. Improve vulnerable people's access to livelihoods and life-sustaining basic services

3. Mitigate protection risks and respond to protection needs through humanitarian action
