The confirmed cases had increased to 13,437 on 12 March 2020. United Nations organisations and their partners created a Corona Virus Country Preparedness and Response Plan (CPRP) to support the Government. On 14 March 2020, the Government approved measures to prevent the spread of the virus which included reducing congestion in workplaces, closing schools and banning large public gatherings. From 8 July 2020, the Government started gradually open pending further instructions from the Civil Aviation Authority. Work at Government institutions started on 12 July, at 50 per cent capacity. By 5 September, the number of confirmed cases had increased to 13,437. This increase is attributed mainly to local transmission of cases.
