6 SYRIA SUFFERING YEARS ON 15 MARCH 2017

... we must continue to remember just how much has been lost, and the abyss from which Syria will need to emerge.

13.5 million people in need of humanitarian assistance

4.9M people in need in besieged and hard-to-reach areas

85% of Syrians are living in poverty

2.8M people are living with permanent disabilities

12.8M people are in need of health assistance

7M people who are food insecure

25% percentage of income households spend on water

1.75M children out of school

6.3M people are internally displaced

6.3M people are living in areas with high exposure to explosive weapons

85% of sub-districts reported early marriage as a primary concern

2.9M Syrian children under the age of 5 have grown up knowing nothing but conflict

90% of surveyed locations reported child recruitment

Since the beginning of the crisis:

147 humanitarian workers killed

770 health workers have been killed

Hundreds of thousands of Syrians have been killed
