Tham Hin Temporary Shelter
Profile

Background
Tham Hin camp was established in 1997 following the arrival in Thailand of thousands of Myanmar citizens fleeing armed conflict and persecution in Southeast Myanmar. Since its inception, the camp has continued to receive Myanmar nationals seeking asylum. The majority of camp residents are Karen Christians. Most have a rural, agricultural background and originate from the Tanintharyi Region of Myanmar.

Location
Tham Hin camp is located in Suan Pueng District, Ratchaburi Province. It is approximately 12 km. from the Thai-Myanmar border and 28 km. from Suan Pueng District. It has a surface area of 28 acres (0.1 sq.km.).

Governance
The Thai Ministry of Interior (MOI) is responsible for managing the nine camps along the border. A Deputy District Officer of Suan Pueng District serves as the Camp Commander for Tham Hin camp and is directly responsible for camp administration and security. A Camp Committee, comprised of and elected by refugees, is responsible for day-to-day camp governance and receives support from the Karen Refugee Committee.

A Thai Military Taskforce is stationed near the camp to monitor security, in conjunction with the border police and border rangers. Territory Defense Volunteers, known as Or Sors, are employed and trained by the MOI to provide internal camp security.

Voluntary Repatriation
Given the significant political and security changes taking place in Myanmar, preparedness for voluntary repatriation (VolRep) began in early 2012. Planning for VolRep has steadily increased following positive events such as the signing of the Nationwide Ceasefire Agreement in October 2015 and the General Election in November 2015 which led to the formation of the new civilian government led by National League for Democracy (NLD). In order to support the preparedness for voluntary repatriation of refugees who reside in the nine temporary shelters, various tools and activities have been developed and carried out in close consultation with NGOs and the refugee community.

UNHCR Activities
• Facilitate the repatriation of persons who voluntarily want to return to Myanmar
• Ensure access to asylum, legal, material and physical protection
• Work towards the elimination of sexual and gender-based violence and improve the quality of response
• Ensure child protection through the promotion and application of the Child Protection Framework

Key Repatriation Activities
• Facilitated return including protection counseling support for persons with specific needs, mine risk education, organized transport, cash and NFI assistance
• Outreach activities e.g. focus group discussions, public forums and film screening
• Physical dissemination of information materials
• Stakeholders meetings
• Support for “Go and See” visit among the refugee community
• Cross-border dialogue through joint workshops, meetings and “Come and Tell visits”
