

## Onward Movements of Afghan Refugees

### November 2020

This is a monthly update from the Regional Mixed Movement Monitoring Unit (R3MU) of UNHCR Regional Bureau for Asia and the Pacific, presenting available key figures on the onward movement of Afghan refugees and migrants from Southwest Asia.

#### MONITORING AFGHAN MOVEMENTS

##### Limitations

- Information on Afghan movements, particularly within Southwest Asia, is difficult to obtain due to porous and remote border areas, and limited access to refugees and asylum-seekers. In addition, irregular movements are by nature clandestine and difficult to verify.

#### ASIA PACIFIC COUNTRIES WITH MOST AFGHANS

##### Top 3 Countries (other than Iran and Pakistan)<sup>1</sup>

Country	Afghan refugees and asylum seekers hosted
India	15,689
Indonesia	7,692
Malaysia	2,478

- About **90%** of the world's Afghan refugees are hosted in Iran and Pakistan, though sizeable populations exist in other countries in the Asia Pacific region.

#### AFGHAN NEW ARRIVALS IN EUROPE

##### The route to Europe

- Afghans made up **7%** of all arrivals to Europe through the Mediterranean from January to November this year.<sup>5</sup>
- From January to November 2020, Afghans were the second most common citizenship to claim asylum in Europe (**28,145** first-time claims), after Syrians (43,135 first-time claims).<sup>6</sup> In October 2020, **54%** of Afghan asylum claimants in Europe were granted international protection.<sup>7</sup> Germany received the most claims.

##### Gender Age Breakdown of New Arrivals in Greece<sup>8</sup>

Men	Women	Children
34%	21%	45%

##### Key Figures – Greece<sup>9</sup>

- Most Afghan arrivals in Europe known to UNHCR in 2019 and 2020 arrived and registered in Greece.
- 1,646** Afghan Unaccompanied Children reported to be in Greece in September 2020 (**4%** lower than August 2020). Afghan Children make up **39%** of all Unaccompanied Children in Greece.
