III. PREPAREDNESS MEASURES

EMERGENCY PREPAREDNESS AND RESPONSE:

NATIONAL PREPAREDNESS

NDRRMC

- NDRRMC Operations Center is on RED ALERT Status effective on 05:00PM, 18 February 2013** for continuously monitoring and disseminating Weather Bulletins/Advisories, Gale Warnings, General Flood Advisories, and 24-Hour Public Weather Forecasts to all RDRRMCs/OCDCs through SMS, facsimile and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels; and directed RDRRMCs concerned through the OCD Regional Centers to undertake precautionary measures in their respective areas of responsibility (AOR).

PNP

REGION IV-B

- Regional Tactical Operation Center (RTOC)** converted to Regional Disaster Operation Center (RDOC) effective 8:00 PM, 19 February 2013
- PRO IV-B** component of the DRRMC was activated regionwide, alert personnel of affected PPOs/CPO are on standby; ready for deployment
- Coordination is being undertaken with the RDRRMC
- PNP Sapad** personnel immediately responded to the incident and extricate the landslide victims.

DOH

- Prepositioned medicines in MIMAROPA – CHD Extensions Offices amounting to Palawan - PhP34,925.41, Romblon - PhP116,535.32, Marinduque - PhP291,918.60, Occidental Mindoro – PhP 3,125.00 and Oriental Mindoro PhP188,330.65

REGION XII

- On Code White Alert and activated its Opcon; prepositioned medicines for all provinces in the region and closely monitoring health centers in the region; assisted OCD in the dissemination of weather and warning advisories to local HEMS.

PAG-ASA

- Disseminated Weather Bulletins/Advisories, Gale Warnings and 24-Hour Public Weather Forecasts

DSWD

- **DSWD FOs IV-B, IX, X, XI, XII, ARMM and CARAGA QRT and SWAD Team** were alerted and advised to closely monitor the situation, in particular areas prone to landslide and flashflood within their jurisdictions. And to provide reports on the status of their standby funds and stockpile and on any eventualities.
- Mobilized the Regional QRT and Provincial-based SWAD teams to assist the LGU-affected areas in the disaster operations.
- Detailed DSWD-CO personnel at the NDRRMC Operation Center for coordination purposes as well as to address issues of DSWD concerns.
- Provided P2.25 million worth of 9,000 family food packs @ P250.00/pack to LGUs-Kapalong, Asuncion and Dujali, all in the province of Davao del Norte.
- Prepositioned **P68.7 million** worth of emergency relief resources consisting of standby funds (**PhP15.85 million**), 27,337 family food packs (**PhP10.45 million**), other food items (**PhP29.13 million**) and NFIs (**PhP13.30 million**) in all FOs lying along the path of Tropical Depression “Crising”

Region	Standby Funds	Family Food Packs		Other Food Items	Non-Food Items (NFIs)	Total Cost
		No.	Cost			
IV-B	500,000.00	1,716	323,480.00	836,481.36	1,778,319.46	3,438,280.82

Total	15,848,181.68	27,337	10,452,336.14	29,133,826.12	13,309,388.89	68,743,732.83

Source: DSWD Report No.8 Preparedness Measures for Response on the Effects of TD “CRISING” (21 Feb 2013, 03:00PM)

- Disaster Response Operations Monitoring and Information Center (DROMIC) is closely coordinating with concerned DSWD-FOs for significant reports caused by the weather disturbance.
- PSWDO Davao Oriental and Compostela Valley distributed relief packs to the affected families.
- **A total of PhP3,123,000.00 worth of relief aid has been provided to the affected families in Regions X (PhP181,500.00) and XI (PhP2,941,500.00) coming from DSWD (PhP2,250,000.00) and LGUs (PhP873,000.00)**

PIA

- Assisted Regions XII and XIII (CARAGA) in dissemination of warning advisories to the general public through “PIA Text Blast”

DPWH

- Regions IV-B, XII and XIII (CARAGA) strategically positioned all maintenance crews/equipment to areas considered prone to floods, landslide and road slips. District DRRMTS already activated in anticipation of the forecasted Tropical Depression “Crising” that might hit within our area of responsibility.
- **Region VIII conducted clearing operations on the reported landslides and provided appropriate warning and directional signs to transporting public.**

PCG

- Prepositioned four (4) vessels for possible deployment: SARV 3504 moored at Dole Wharf, Gen Santos City; MCS 3005 moored at AMR shipyard, Zamboanga City; MCS 3009 moored at Ben Go Baliwasan Seaside Zamboanga, and; DF-315 moored at Davao
- PCG units in the area are on heightened alert and continuously monitoring the development and effects of the weather disturbance to ensure that regulations on prohibiting the movement of vessels in the affected areas are strictly enforced
- **REGION IX - Zamboanga City Coast Guard Station cancelled all trips going out of Zamboanga City**

PRC

REGION X

- Philippine Red Cross provided Food and Non Food items to the evacuees.

REGIONAL PREPAREDNESS

OCDRCs IV-B, VI, VII, VIII, IX, X, XII, XIII (CARAGA) and ARMM

- Disseminated 24 Hour Public Weather Forecast and Weather Advisories through SMS and facsimile to the RDRRMC member-agencies, Local DRRMCs and local radio/TV stations in the region, coordinates with RDRRMCs and LDRRMCs re situation in their area of responsibilities and preparedness activities to be undertaken and maintains 24/7 duty personnel to monitor LDRRMCs and concerned agencies regarding any untoward incidents and actions taken.

OCDRC IV-B

- **MDRRMC Baco, Oriental Mindoro activated their Operations center. Conducted assessment in the flooded area. Alerted Response team for response operation. Prepositioned stockpile of relief goods for possible distribution.**
- **MDRRMC San Teodoro, Oriental Mindoro activated their Operations center. Conducted rescue operations together with Personnel of San Teodoro, Municipal Police Station of the families in the flooded area.**
- **MDRRMC Naujan, Oriental Mindoro activated their operations center. Conducted assessment to the flooded area.**
- **Public Safety Department, Calapan City on standby alert and continuously monitoring the water level of Bucayao River and Magasawang Tubig.**

OCDRC VIII

- **MDRRMC Sta. Fe and Abuyog, Leyte** continuously monitor and conduct inspection on flood prone areas
- **MDRRMO Palo, Leyte** facilitated the conduct of pre-emptive evacuation of residents
- **CDRRMO Tacloban and TOG 8-PAF** to conduct rescue evacuation on the affected residents in Palanog, Tacloban City

- **PIA and OCD8 OpCen** are continuously disseminating weather advisories to RDRRMC 8 member agencies, media and concerned LDRRMCs; and advised to facilitate further dissemination and take appropriate actions
- **MDRRMO Palo facilitated the conduct of registration of evacuees at Cangumbang Elementary School**
- **Province of Leyte EWS continuously monitor the water level at Binahaan Watershed and coordinated with concerned MDRRMCs**

OCDRC IX

- **OCDRC IX** operations center continuously monitoring the situation and coordinates with the PDRRMCs for any development
- **CDRRMO of Dipolog City** immediately went to the affected areas and assisted the residents
- **PDRRMCs, CDRRMCs and MDRRMCs** continuously monitoring and releasing early warning signals to all individuals

OCDRC X

- Landslide victims were brought immediately to Lanao del Norte Hospital-Kapatagan for further treatment of injuries sustained
- Sapad MDRRMC and Lanao del Norte PDRRMC Emergency Response Team verified the incident
- Lanao del Norte PDRRMC and Sapad MDRRMC immediately responded to the incident
- Regional Health Unit provided immediate first aid before the landslide victims were brought to Lanao del Norte Hospital – Kapatagan for further treatment of injuries sustained
- Sapad MDRRMC and Poblacion BDRRMC facilitated the evacuation of the affected families
- Provincial Government of Lanao del Norte provided Food and Non Food items to the evacuees
- **MDRRMC – San Fernando, Bukidnon** sent a team to conduct PDNA in Barangay Magkalungay
- **PDRRMC and BDRRMC – Brgy. Butong, Quezon, Bukidnon** provided relief good to the displaced residents

OCDRC XI

- **OCD XI** is on Red Alert Status; and headed by Dir. Liza R. Mazo, conducted survey of the affected areas and provided rescue equipments for augmentation in the conduct of rescue operations to the affected areas
- **PDRRMC Davao Oriental and Compostela Valley** together with **MDRRMCs Asuncion, B.E. Dujali, Carmen, Sto.Tomas** conducted pre-emptive evacuation to the affected families and continuously monitoring the affected areas
- Search and rescue resources from response agencies and LGUs were prepositioned and on standby for possible deployment
- **PDRRMC Davao del Norte** together with the **MDRRMC Kapalong** distributed relief goods to the affected families and provided RDR SAR Team to the affected areas
- **MDRRMC Kapalong Search and Rescue (KARES)** has been activated
- **RDANA Team** conducted assessment and validation

OCDRC XII

- Coordinates and alerts RDRRMCs and LDRRMCs for possible occurrence of any emergency in their AOR

- **PDRRMO North Cotabato MDRRMC Kabacan, MDRRMC Carmen and MDRRMC Pikit** are closely monitoring the area
- **MDRRMC Kabacan** immediately conducted ocular survey in the area, and are still conducting damage assessment and needs analysis
- **MSWDO and Department of Agriculture** conducted ocular inspection and validation
- **OCD XII** coordinated with the PDRRMO North Cotabato and MDRRMC Kabacan with regard to the situation in the area
- **MDRRMC Maitum** coordinated to BDRRMC Pinol
- **RDRRMC XII Operations** Center coordinated with MDRRMC Maitum Action Officer, Ms. Nelia Quimsing
- **North Cotabato Emergency Response Team (NCERT) is on their way to Barangay Port of Pikit to rescue the families stranded**

OCDRC XIII (CARAGA)

- **PDRRMC Surigao del Sur** convened to prepare for the possible impact of TD Crising in their AOR
- **Search and Emergency Response Team of Surigao Sur (SERTSS)** on standby at OpCen for possible deployment
- **CDRRMC Butuan** monitors the evacuation centers and distributes relief goods to the evacuees
- **Butuan Search and Rescue continues to monitor the water level in Agusan River.**

OCDRC ARMM

- RDRRMC conducted an emergency meeting to assess and evaluate the plight of the families affected by TD Crising and for immediate relief assistance
 - LGU of Datu Montawal and Pagalungan are monitoring the situation in the affected areas for possible relief assistance, and **continuously monitoring the level of the Pulangi River and Pagalungan**
-
