The image contains a map of the Syria Regional Refugee Response, with data on refugee numbers, assistance breakdown, and funding. Key points include:

- **People Assisted**: 3.6m people have been assisted in June 2019.
- **Assistance Breakdown**: By country, with numbers for Egypt, Iraq, Jordan, Lebanon, and Turkey.
- **Operational Profile**: 91.6% Syrian refugees, 6.9% host communities, 1.5% other refugees.
- **Funding**: Total funding requirements are $5.53bn, including specific amounts for each country.

The map shows the distribution of refugees and targeted regions, with details on refugee camps and host communities. The dashboard is produced by the WFP Operations Centre (OPSCEN) jointly with Country Office and Regional Bureau Cairo. It is based on best available information at the time of production, with future updates and new information becoming available.
