Weekly update #14 (11th September 2020)

Contact: Vietnam Red Cross - 82 Nguyen Du, Ha Noi - (84.24) 3822 4030/(84.24) 3826 3703 - international@redcross.org.vn

VIETNAM

1,059 cases

In the last 9 days, Vietnam has recorded no new case of COVID-19 in the community while the number of recovered patients in localities is increasing day by day.

893 recovered

Quang Nam province from 6th Sep, Ho Chi Minh City from 7th Sep and Phu Yen province from 8th Sep starts easing social distancing measures including the reopening of entertainment services such as bars, karaoke, clubs after no community transmission for more than two weeks.

35 deaths

(Local people redeemed vouchers for basic necessities in Humanitarian Market in Da Nang city)

WEEKLY HIGHLIGHT

- The public transport system in Da Nang has resumed operations from 7 September while maintaining social distancing norms. Accordingly, transport vehicles are limited to carry not more than half of available seats (maximum of 30 passengers). All passengers will have to follow health measures including wearing face masks and declaring health status.
- According to the United States Embassy in Vietnam, the US Centers for Disease Control and Prevention (CDC) will open a regional office in Hanoi to increase public health engagement in Southeast Asia and monitor the spread of the pandemic.
