## INDONESIA

### Flood

The torrential rain has triggered severe flooding in Sampang District of Madura Island, East Java Province. The local authority reported nearly 35,000 people were being affected by the flood in the 13 villages. This situation has also forced the local authority to declare a state of emergency from 12 February to 12 March.

Flood also submerged 100 houses in Gresik District, East Java Province.

Meanwhile in West Java Province, 360 houses were inundated by flood in Bekasi and 273 houses were affected by flood and landslide in Bogor District.

### Wind

Whirlwind damaged houses in Mempawah District, West Kalimantan Province. The local authority reported 24 houses were damaged and 134 people were affected because of the incident.
