Through the adoption of resolutions 2165 (2014) and its subsequent renewals 2191 (2014), 2258 (2015), 2332 (2016), 2393 (2017), 2449 (2018), 2504 (2020) and 2533 (2020) until 10 July 2021, the UN Security Council has authorized UN agencies and their partners to use routes across conflict lines and the border crossings at Bab al-Salam, Bab al-Hawa, Al-Ramtha and Al Yarubiyah, to deliver humanitarian assistance, including medical and surgical supplies, to people in need in Syria. As of 10 July 2020, based on resolution 2533, Bab al-Hawa is the only crossing open at this point in time. The Government of Syria is notified in advance of each shipment and a UN monitoring mechanism was established to oversee loading in neighboring countries and confirm the humanitarian nature of consignments.

The 30-second Feedback survey:  

* Includes 2.15 million children for polio vaccination in 2015, and excludes vaccination from 2016 to 2020. Given the challenges the sector faces in measuring individual beneficiaries, the indicator for the number of medical procedures is used as an aggregate indicator that serves as a proxy measure for overall progress in health service delivery in covered areas.
*An undetermined percentage of the beneficiaries may have received multiple interventions in a sector.

**819,618 children under five years were vaccinated in three rounds of polio campaigns in 2018. 72,891 children under one year of age reached with routine vaccination (DTP3 containing vaccine). In addition, 541,261 children aged 6-59 months and 1.1m children aged 5-15 years received the measles vaccines. In 2017, 1.02 million children under five vaccinated through polio campaigns. 54,618 children under one vaccinated in polio campaigns.
