Refugee Camps

This map illustrates satellite-based area of refugee camp and tent detections in YAYLADAGI, Hatay province of Turkey. No formal refugee camps have been detected in Lattakia during this period.

The most significant changes were observed between 10 July 2011 and 23 August 2011 when a new area was populated and around 45 new tents were erected. This is a preliminary analysis and has not yet been validated in the field. Please send ground back feedback to UNITAR/UNOSAT.

Data Acquired 10 July 2011, 23 August 2011 and 12 February 2012

Additional camp extent 23/08/2011

Camp extent 10/07/2011

Approval Status: Preliminary

Production Date: 10/04/2012

Version 1.0

Activation Number: CE201107045YR
