Applications lodged	8,587	9,554

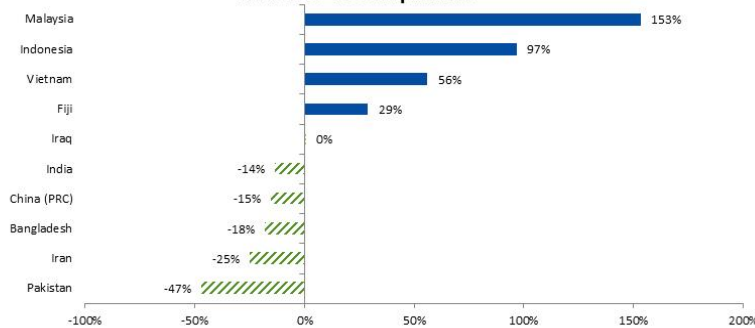

Table 2 – Protection Visa lodged by last known country of citizenship

Last known country of citizenship	2014-15	2015-16
Malaysia	1,401	3,549
China (PRC)	1,299	1,099
Iraq	625	628
India	674	582
Pakistan	717	380
Fiji	231	298
Indonesia	119	234
Vietnam	132	206
Iran	227	170
Bangladesh	182	149
Other	2,980	2,259
Total	8,587	9,554

The above graph shows a comparison of Protection visa lodgements by top 10 last known countries of citizenship, 2014-15 and 2015-16 year to date programme year

Protection Visa Lodged by last known country of citizenship, 2014-15 and 2015-16 comparison

The above graph shows a comparison of lodgements between 2014-15 and 2015-16 YTD by last known countries of citizenship. The graph demonstrates the increases or decreases in lodgements between programme years

Table 3 – Final Protection Visa grants

	2014-15	2015-16
Protection Visa grants to Non-IMA	2,746	1,732
Total Protection Visa grants**	2,747	1,732

Table 4 – Grant and grant rates by last known country of citizenship

Last known country of citizenship	2015-16	Grant rate
Iraq	360	92%
Pakistan	204	54%
Libya	130	99%
Afghanistan	110	71%
China	108	17%
Iran	104	50%
Syria	90	97%
Lebanon	72	50%
Egypt	68	45%
PNG	57	76%
Other	429	...
Total	1,732	32%

Notes:

** Total Protection visa grants for 2014-15 includes one visa granted to an IMA.

Protection visa figures relating to 2014-15 are based on 2014-15 end of programme year data and therefore may differ from statistics previously published.

Grant rate refers to the finally determined grant rate, that is, post merits review.

The last known county of citizenship is the most recent citizenship provided by the applicant.
