CAR (Cordillera Administrative Region) is located in the north-central part of Luzon and is bordered by Regions I and II along the west, north and east, and Region III to the south. It is the country’s only land-locked region. It has a mountainous topography and is dubbed as the “Watershed Cradle of North Luzon”, as it hosts major rivers that provide continuous water for irrigation and energy for Northern Luzon.

**Legend**
- Provincial capital
- Major city/town
- Major airport (Philippines only)
- Minor airport (Philippines only)
- Active volcano
- Province boundary
- Region boundary
- Main river
- Secondary road
- Primary road
