

Syrian Arab Republic

Armed conflict is causing large scale displacement and severely affecting people's safety and livelihoods.

4 million

people in need

2 million IDPs

1 million refugees

Libya

Residual humanitarian needs mainly relate to internal displacement. The most vulnerable are those living in IDP settlements and camps, which are located in Tripoli, Benghazi and in the surrounds of Sirte, Misrata, Tarhouna and Dirj.

59,425 IDPs

Iraq

Insecurity and protracted displacement continues to create significant humanitarian needs for many Iraqis.

1.3 million IDPs

280,000 returnees

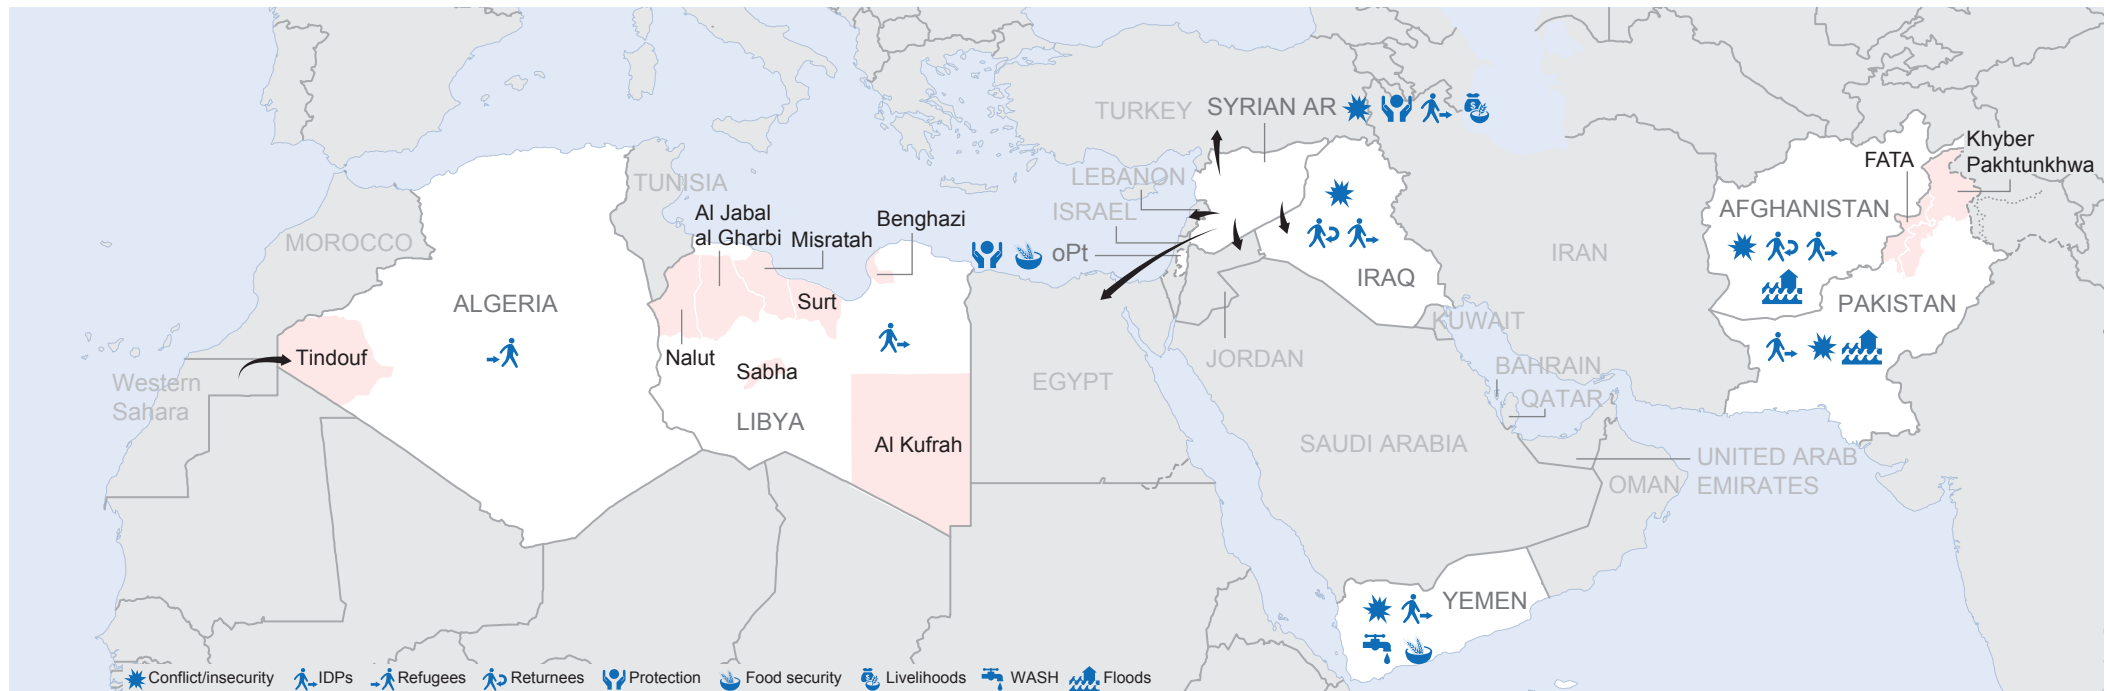

Afghanistan

Armed conflict, widespread insecurity and high exposure to natural hazards has created a protracted humanitarian situation.

445,856 IDPs

5.7 million returnees

34%  of the population is food insecure

Algeria

Refugees from Western Sahara are being hosted in camps and a settlement in the south-western province of Tindouf.

165,000 refugees

occupied Palestinian territory

The occupation and ongoing conflict have led to a protracted protection crisis. Restriction on the movement of people and goods negatively impact people's livelihoods.

1.8 million people in need

Yemen

Extreme water scarcity, armed conflict, high food prices and poor public services are creating significant humanitarian needs.

13.1 million people lack access to safe water

45%  of the population is food insecure

385,000 IDPs

Pakistan

Large scale monsoon floods in 2012 continue to impact people's livelihoods. In Khyber Pakhtunkhwa and Federally Administered Tribal Areas (FATA), ongoing security operations and sectarian violence have led to significant displacement.

4.8 million people affected by floods

758,000 IDPs
