In Myanmar, the Shelter/NFI/CCCM Cluster was activated in January 2013. By March 2013, the Shelter/NFI/CCCM Cluster became operational in Kachin and Northern Shan States. Currently 3 Camp Management Agencies undertake substantial work for the Shelter/NFI/CCCM Cluster: data collection, coordination, monitoring of services, community mobilization and capacity building across camps that house over 106,000 IDPs. The objective of the Shelter/NFI/CCCM Cluster remains to ensure all of the priority camps, camps that contain the majority of IDPs, have a dedicated Camp Management Agency, delivering coordinated assistance in line with the rights and needs of the displaced and where possible preparing them for life after displacement.
